Senior Directory 187

The joys we have shared

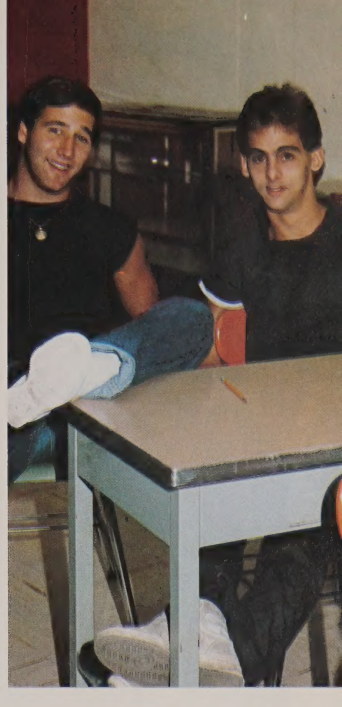

The laughter and tears

Have kept us together
throughout our four years.

These are some of the things we will always recall,

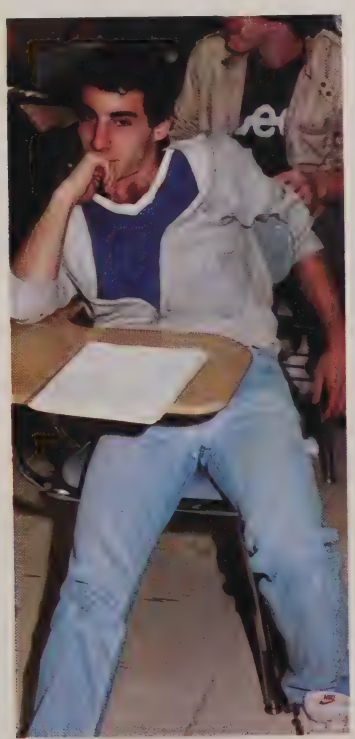

Like sitting in class

doing nothing at all.

Parties and dances,

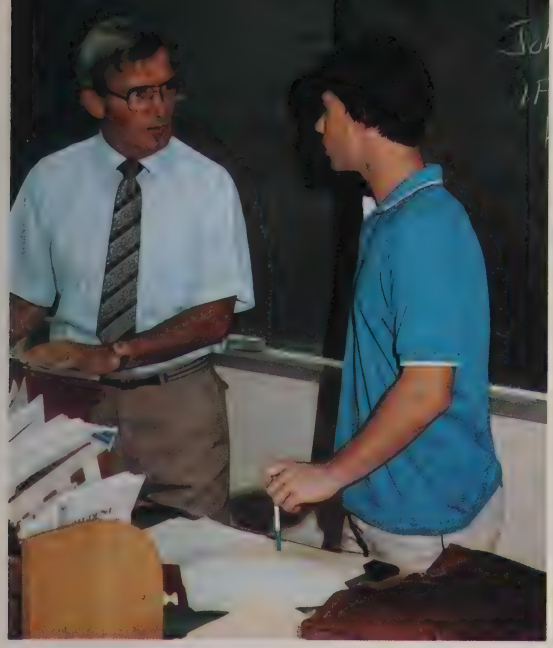

Close friends
we have made,

Regulations and teachers
we've all disobeyed.

But help from our teachers would always be there,

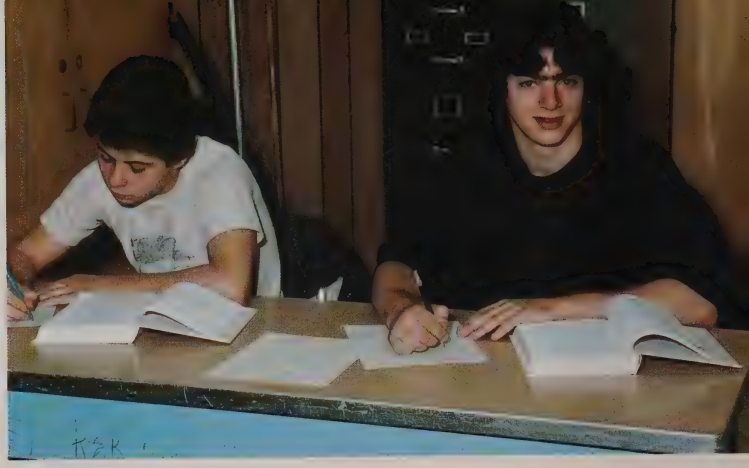

If we found homework tough, and our grades were just fair.

There were clubs and activities,
the Blue and White,

Ordinary days
and those special nights.

Football, lacrosse,
and soccer too,

The team members
always knew what to do.

These many memories are here to stay

As we each will part

our separate ways.

Meet the Editors

The position of editor-in-chief of a high school yearbook is highly demanding and pressure-packed, but Kim Melican has always welcomed challenges. Tremendously active in the Student Council, the girls basketball team, girls indoor track, and the Ski Club, Kim has served her class with distinction on the Senior Executive Board, as a Junior Marshal, a School Committee Representative, and a homeroom representative. As a testament to her dedication to the Class of 1984, Kim was also nominated as a member of *Who's Who Among American High School Students*. Academically, Kim has been an honor student, maintaining a "B" average for four years, and has been cited for outstanding achievement in English. As to the future, Kim plans to funnel her boundless energy into a career in Business Management.

Take a keen interest in drawing, painting, and pottery, and mix it with above average ability in science and math, and you have the makings of our design editor, Jo Ann Frabetti. To complement her obvious creative energy, Jo Ann relaxes by participating in swimming, the diving team, the tennis team, and the Ski Club. To round her active schedule, Jo Ann was also involved in the Math Team and the M Club. As to the future, this highly creative, energetic young lady plans to attend college and major in either math or science, to buy a Jaguar, and to travel abroad extensively.

Denise Lane, our literary editor, brings some previous yearbook experience to the editorial board of *The Blue and White*. At the Hobbs Junior High School, Denise was the layout and design editor of the 1979 book. In high school, Denise has extended her interest in the creative arts to include the performing arts. Having been awarded certificates in English for outstanding achievement and creative writing, she has also been active in the chorus, serving as secretary, vice president, and president. She has also participated in several productions of the Act IV Drama Club. Denise hopes to attend either Simmons College or Boston University, where she will prepare for a career as a physical therapist.

Clerical perfection and previous yearbook experience are two major qualifications for a yearbook senior section editor, and both are found in Karen Coluntino. Karen has been in the business education course at the high school and holds a job in a lawyer's office after school. She also worked on the student section of the 1979 yearbook at the Hobbs Junior High School. Among her other distinctions, Karen received an award for outstanding achievement in English during her sophomore year. Karen has decided to attend college and to major in accounting, computer technology, or legal secretarial training.

Sorting through hundreds of pictures of teachers and administrators from the high school and vocational school is a formidable task, but Christine Iozza, our faculty editor, accepted it willingly. An honor student for four years, Christine also brought some previous yearbook experience to this year's *Blue and White*, having worked on the 1979 book at the Hobbs Junior High School. Balancing her academic achievements, Chris has been a Pom Pom Girl, a member of the Ski Club, the tennis team, the track team, and the M Club. Chris was also chosen to be a Junior Marshal. As to the future, Chris has chosen a career in engineering and plans to attend either Tufts University or Pennsylvania State University.

As diverse as activities are at Medford High School, so is the background of Betty Alepedis, this year's activities editor. Betty has been a member of the National Honor Society, the Math Teams and the U.S. History Seminar. Outside of school, she has taught Sunday School at her church and has served as a secretary of the church youth group. Possessing outstanding artistic skills, Betty attended the Massachusetts College of Art as a summer student, having been selected by her art teacher at the high school. Among her academic honors are awards for outstanding achievement in both math and science. Betty has been nominated for *Who's Who Among High School Students* and plans to enter the expanding field of medicine upon graduation from college where she will, no doubt, continue her outstanding academic achievements.

Our sports editor, Steve Napier, is no stranger to Medford High's numerous athletic programs. He has been actively involved in basketball, baseball, and the M Club. Outside of school, Steve has coached the St. Joseph's basketball team. Besides his sports activities, Steve has worked on the *Mustang News*, served as a homeroom representative for four years, and was also selected to be a Junior Usher during his Junior Year. As to the future, Steve plans to attend college and major in business administration or accounting. His goal is to become a Certified Public Accountant.

Outstanding achievement in math, science, and English provides a solid background for our business manager, Susan Perella. She has been a member of the National Honor Society and nominated for *Who's Who Among American High School Students*, as well as serving as a Junior Marshal. Among her extra-curricular activities, Susan has been a Pom Pom Girl, a Cheerleader, a homeroom representative, and a member of the M Club. Susan plans to study at the Lawrence Memorial School of Nursing and Regis College and to pursue a career as a Nurse Practitioner.

Time it was, and what a time it was —
A time of innocence,
A time of confidences.
Long ago, it must be,
Here are the photographs.
Preserve your memories,
They are what are left to you.

Memories of a staff dedicated to excellence, to the awesome task of taking hundreds of pictures of a multitude of activities and preserving them for you, the members of the Class of 1984. As your advisor, I have many private memories: of Betty, working on a holiday in October to develop the format of this book. Of Jo Ann, creating the distinctive, contemporary design of the special pages. Of Denise, writing the touching opening verse which caused me to cry when I first read it. Of Christine, volunteering to fill a huge vacancy. Of Karen, completing the senior section and every other type of assignment which required immediate attention. Of Stephen, working graciously under intense pressure. Of Sue, counting and counting! And finally, of Kim, without whose profound dedication, fairness, and organizational ability this book would have never come to pass. I salute you all and thank you all for the gratifying support you gave to me during my first, chaotic year as the advisor to *The Blue and White*.

Dedication

Ms. Diane Gulino

"Working More for 84"

Mrs. Margaret Kane

Ms. Diane Gulino and Mrs. Margaret Kane are, without a doubt, the most worthy teachers to receive the honor of this dedication. Both women have given up a great deal of their personal time to provide our class with more social events and more profitable fundraisers.

In Ms. Gulino, we, the students, have found a unique personality. She attended Medford High School and was actively involved for three years in the *Mustang News*. After high school, she attended Salem State College where she majored in English. In her senior year, she was the editor-in-chief of the school yearbook. She began her teaching career at the Hobbs Junior High School, and has been a staff member of Medford High since 1980. Ms. Gulino also holds a Masters Degree from Salem State.

As a teacher, Ms. Gulino has looked upon her roles as class advisor and yearbook advisor with complete seriousness and dedication. She has shown us how efficient management and hard work can produce successful results.

As a friend, she accepted us for what we are. She encouraged us to work for what we want, bringing out talents and skills she believed were there. We will fondly remember her closeness to us, her special companionship, and all her faith in our abilities.

Mrs. Margaret Kane is originally from Nahant. Her husband is from Medford. She graduated from Emmanuel College and has taught at Medford High for 15 years. Mrs. Kane holds a Masters Degree in reading and has taught all grade levels at the high school.

Outside of school, Mrs. Kane is very active in community affairs as a Girl Scout leader and a C.C.D. teacher. The mother of three children, she is also a master fundraiser for the Class of 1984.

Mrs. Kane's truthfulness has been an inspiration to us all. As class advisor her strong ability to get things done has helped us hold many well-organized events. She is a warm, loving person who always looks for, and finds, the good in people; her positive attitude has kept our spirits high.

In conclusion, we the editors of the 1984 *Blue and White*, would like to say that we earnestly appreciate all their contributions to our class, and thank both of them by this dedication.

TV's Nuclear Nightmare . . . "THE DAY AFTER"

'The Day After' was a production which explained the distruction nuclear bombs may bring to the world. The movie showed the horror of an inescapable dosage of nuclear poisoning.

The subject, which has stunned the world, has brought us all to a realization of the devastation of a nuclear nightmare, and introduced the perplexities nuclear poisoning may bring to the present and future generations.

A Step Forward for All Mankind!

It takes alot of courage to go out into the endless mass which is known as space. The U.S. has recently taken a major step for all humankind. Sally Ride, the first American woman in space, was on the fifth voyage of the "Challenger" in January of 1984. She states her feelings toward women in space by saying "It's too bad society isn't to the point yet where the country could just send up a woman astronaut and nobody would think twice about it."

SHOOTING TO KILL . . . The Soviets destroy an airliner.

In the early morning darkness of September 1, 1983, Korean Air Lines flight 007 was struck by a Soviet air-to-air missile. Twelve minutes later, the 747 plunged into the Sea of Japan, killing 269 people and the crew.

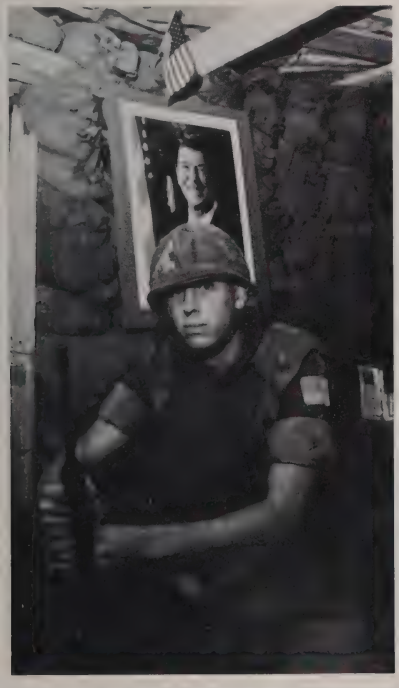

Six days after the tragedy which shocked and stung the global conscience, 100,000 people gathered to mourn the loss in a Seoul stadium. United States, Japanese, and Soviet naval vessels searched nine weeks for the ill-fated flight's recorder that would have been the key to explain why the plane had strayed into Soviet airspace. The cold sea yielded only shoes, clothing, and toys, the bitter remains of the tragedy.

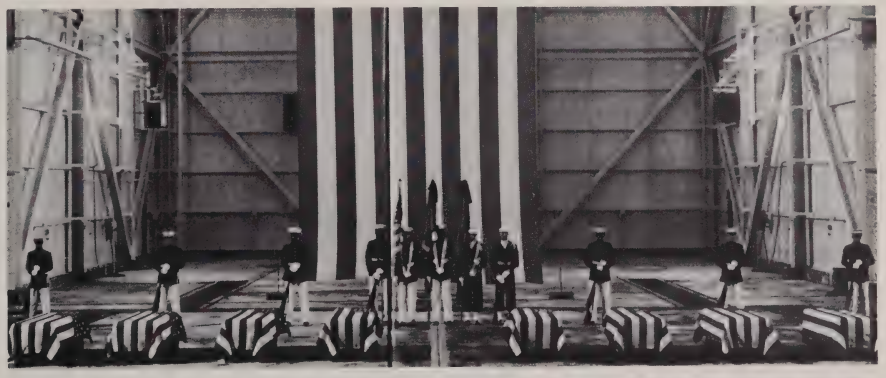

President Reagan, in a globally broadcasted address, condemned the Soviet action. The Soviet Union defended its right to take the action, though it was unilaterally decried by nations around the globe.

Sweat soaked the layers of their camouflage battle uniforms. Their rifles and backpacks grew heavy in the 100° F heat of the tropical isle. But it had been a long time since American soldiers had felt so good or, so welcome, in a foreign land. With the serendipitous discovery in Grenada of large Cuban military stockpiles and documents disclosing secret military agreements between Grenada's former leaders and Cuba and the Soviet Union, President Reagan took the drastic step of sending squadrons of Marines to the tiny tropical island off the coast of Barbados. The invasion followed the infamous "Beirut Massacre" by less than 24 hours, and drew a mixed, but vocal, reaction from the Congress and the citizens of the United States. The American forces completed their task and, within weeks, were withdrawn from the island.

Grenada's "rescue" accomplished: rehabilitation begins!

"One, two, three strikes – YOU'RE OUT!"

Boston Red Sox player Carl Yastrzemski left baseball at the age of 44 after 22 seasons. Yastrzemski stated, "I have played for one team, one area, and I hope I have represented it with class."

New York Yankee player, Dave Reghetti, 28 years old, had only been playing pro ball for 3 years and already was the talk of the town. The 1981 Rookie of the Year, has had many big hits during his few seasons in this strenous sport.

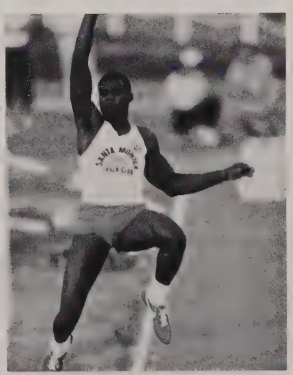

YANKS GO DOWN UNDER

The competition for The America's Cup took place in September, 1983. The race between Australia and America was won by the Australian boat by merely a few feet. the *Australia II* was the first challenger to take the America's Cup. Before the treacherous race, the designer of the *Australia II* stated "If we can't win this time, no one can win the bloody thing."

Track and field star Carl Lewis stated on his chances of setting new marks in all three of his specialties: "I'm four inches away in the long jump, one tick from the world record in the 100-meter dash and three ticks in the 200. They're all within reach." His inspiration to fulfill his goal will assist him in achieving his dreams.

Martina Navratilova, the winner of her fourth Wimbledon, when asked if she is too tough for other women, states, "I hope so. I want to try to make it as boring as I can."

. . . 1984 . . . The Year in Review . . . 1984.

Oh, you beautiful dolls!

The adorable moon-faced dolls that came with their own birth certificates and adoption papers captured the hearts of millions of children this past year. Throughout the United States, lines formed hours before the opening of stores which had advertised sales. As the crowds pushed through the doors, they frantically shoved one another to grab for one or more of these rare, and often expensive, dolls. Some were even auctioned at Christmas, gleaning hundreds of dollars for charities across the state. The Cabbage Patch Craze gladdened the hearts of many children and adults.

KING KONG STILL ON TOP

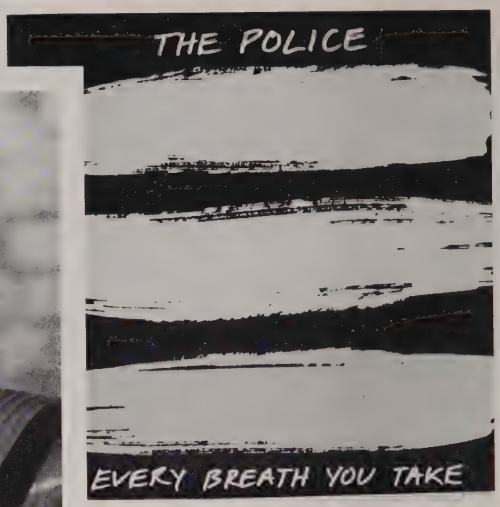

Once again the enormous gorilla, dubbed *King Kong,* climbed the Empire State Building in New York City, only this time to celebrate. It has been fifty years since the smash movie about the fierce beast, who was found on a small African island, was produced. This movie brought modern time significance to the fairytale "Beauty and the Beast."

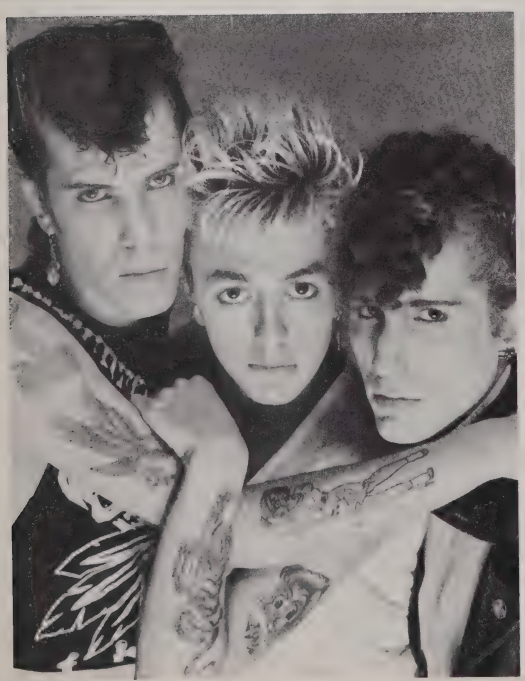

"ROCK THIS PLACE TO THE GROUND!" . . .

"Com' on, feel the noise . . ."

The adorable little boy with the high pitched voice and elastic legs again made headlines this year, at the ripe old age of 25. Michael Jackson won eight separate Music Merit Achievement Awards and sang his way into the *Guinness Book of World Records* with his super-platinum *Thriller* album. Ranked as the biggest selling album of all time (23 million copies), it included the smash title song, "Thriller," as well as "Billy Jean." Along with the success of the recording, Jackson was lauded for the Best Video ("Thriller"), best pop hit ("Beat It"), and top male solo pop artist. These songs not only hit the top 40 pop chart but also the top 20 video chart simultaneously.

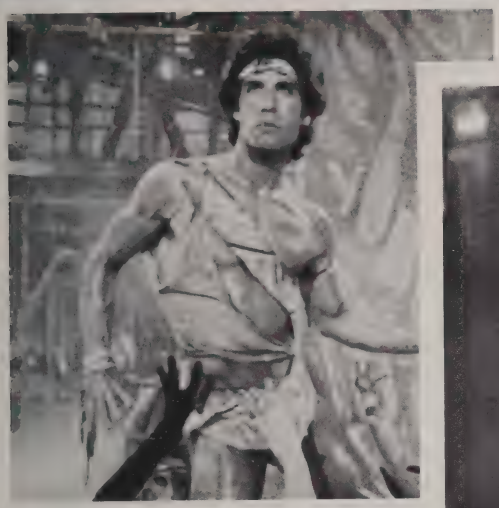

Other top groups and records for 1983-84 included: Def Leppard, with *Pyromania:* Van Halen, with "Jump"; Quiet Riot, with "Com'on, Feel the Noise"; DeBarge, with "Time Will Reveal"; Asia, with "Don't Cry"; Billy Joel, with "Uptown Girl"; The Police, with their smash album, *Synchronicity;* Paul McCartney and Michael Jackson, with "Say, Say, Say"; Prince, with "1999"; Culture Club, with "I'll Tumble For Ya", and many more.

Two newcomers to the American pop scene were Culture Club from England and Men at Work from Australia. Boy George, the 6′ man who dressed his eyes like Elizabeth Taylor, was the singing and writing genius behind Culture Club's phenomenal American acceptance. Men at Work pleased the tastes of youngsters and oldsters alike with their mellow rendition of "The Land Down Under" which described far-off Australia in tempting terms. It was a bonus year for audiophiles all over the country.

"I'm not a quitter – I'm a fighter!"

"Frankly, my dear, I don't give a . . .!"

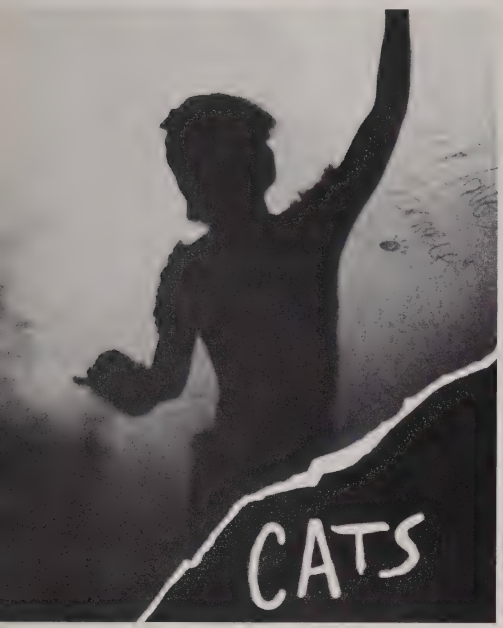

There were many hit movies that fascinated movie goers during the past year. Some of these were:

Flashdance
Trading Places
Stayin' Alive
Chariots of Fire
Terms of Endearment
Risky Business
48 Hours
Officer and a Gentleman
The Big Chill
Tootsie
Sudden Impact
and many, many more.

CATS – Let the memory live again!

The theaters were substantially altered to create the setting for this 1983 Tony Award winning musical *Cats*. Immediately upon entering the theater, the audience was surrounded by giant tires, cans, boxes, shoes, and other articles which created a complete environmental space for the show, taking the audience into a "giant playground for cats."

This production about cats, each with his/her own unique personality, brought millions of Broadway musical lovers out of the streets and into the playhouses this year.

GONE, BUT NOT FORGOTTEN . . .

John F. Kennedy's bright trajectory, ended in mispassage, severed in that glaring Friday noontime in Dallas, on November 22, 1963.

Twenty years ago millions of Americans of all ages, mourned the death of the young, thirty-fifth President of the United States.

Another tragic death, of anorexia nervosa, was that of Karen Carpenter, whose music will linger on in the hearts of all.

In Memoriam

Snow melts too quickly,
Children burn away.
Sun sets too soon,
Another passing day.

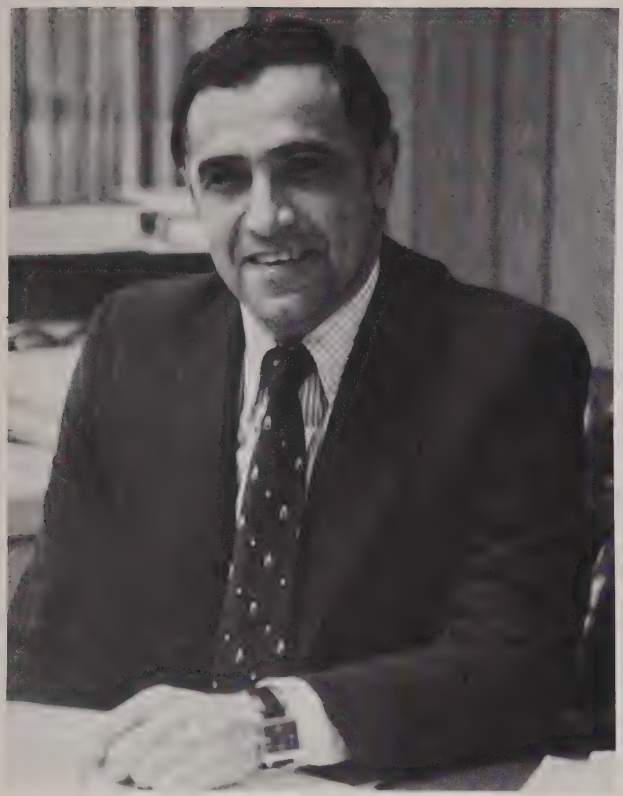

Dreams slip away,
I was there before.
For this is the time
We must open a new door.

The dreams that you had
Are the ones that will be kept.
All we have now are
The memories that you left.

Mr. Salvatore A. Todaro
Headmaster, Medford High School

Headmaster's Message to the Class of 1984

May your four years of hard work and dedication open the doors to your lifetime pursuits. The educational and social experiences realized at Medford High School will help each of you to interpret society and all of its complexities.

Society offers each of you an opportunity to enter on a path of life rich with meaning and purpose. The goal is yours to set; the striving is yours to endure; the reward will be yours in achievement.

Each of you may experience many detours before realizing a lasting path to happiness and success. Always keep in mind that life, in general, is comprised of boundless experiences which may not always be to your liking. It is, therefore, incumbent upon each of you to use your attained wealth of knowledge to help you to find the path that will bring you fulfillment.

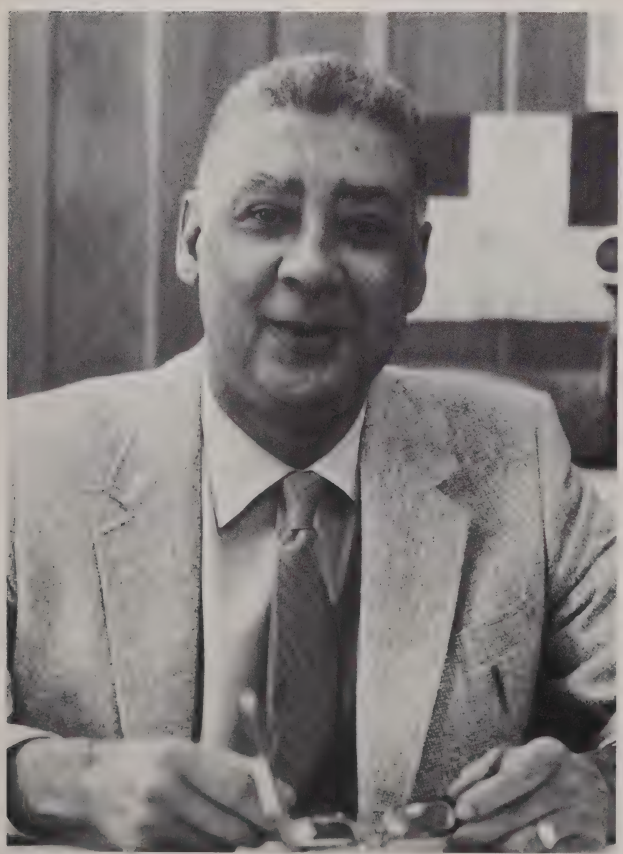

My charge to each member of the Class of 1984 is to never become discouraged in the face of adversity, but to maintain your composure and to draw on your reservoir of experiences in reaching acceptable outcomes. In doing so, you will have to call upon your creative abilities to help you filter through ambiguous situations.

As each of you pursues a lifestyle consistent with your abilities and your wants, I wish all of you boundless health and success throughout all of your personal endeavors.

I should like to leave the Class of 1984 with some thoughts from Ralph Waldo Emerson's essay "Self-Reliance":

" . . . Let us affront and reprimand the smooth mediocrity and squalid contentment of the times, and hurl in the face of custom and trade and office, the fact which is the upshot of all history, that there is a great responsible Thinker and Actor working wherever a man works; that true man belongs to no other time or place, but is the centre of things."

Salvatore A. Todaro, Headmaster

Mr. Alfred J. Johnson
Director, Medford Vocational-Technical High School

Director's Message to the Class of 1984

As you graduate, it is an ending, a conclusion of a process you began some twelve years ago, a process called formal education. Throughout that time, you have worked and studied and striven for this day. What were those twelve years of education for?

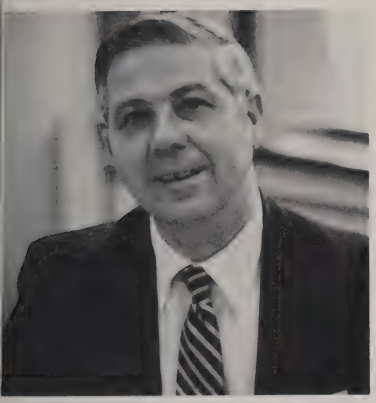

Let me suggest that they were not to prepare you to conclude a portion of your life, but they were to prepare you to begin life. Therefore, take what you have learned and use it. Use it as you begin your new life as an equal partner in the world. Use it as you meet challenges. Use it now and throughout your lives. May it serve you well.

Luck, success, and happiness to the Class of 1984.

Retires From Vocational School

Mr. Patrick Henaghan, a native of Medford, lives on Orchard Street in the Hillside section of the city. He attended the Hillside School, the Hobbs Junior High School, and was graduated from Medford High School in 1939.

After serving in the Civilian Conservation Corps, Mr. Henaghan joined the U.S. Navy in 1942. He served aboard a destroyer escort for three and a half years, holding the rank of Chief Electrician. Upon discharge, he attended the University of Massachusetts in Amherst and was graduated with a B.B.A. in 1951.

Following trade work as an electrician, Mr. Henaghan joined the teaching staff at the old Weldon Vocational-Technical High School in 1958. Mr. Henaghan taught in the electrical shop area for many years and was a related teacher at the Medford Vocational-Technical High School until his retirement on October 1, 1983. He will be sorely missed by his fellow educators and former students.

G.B.L. Champs!

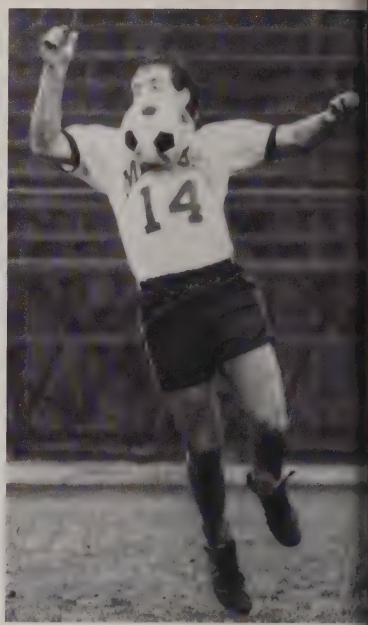

As Medford High School's Varsity Soccer Team took the field for the opening game of the 1983 season, Coach Joe Barletta's thoughts did not live up to the accomplishments of the team. During preseason play, Coach Barletta preordained his team, led by tri-captains Steve Brooks, Anthony Puccio, and Michael Santini, to end the season in third place. However, surprisingly enough, the Mustangs went on to win their fourth G.B.L. Championship in five years and advance to the quarter finals of the Massachusetts State Tournament.

One factor that led to the success of the team was the awesome "Diamond Defense," comprised of Steve Brooks, Frank Borriello, Stephen Conway, and Michael LoPresti. In 64 quarters, the "Diamond" gave up just eight goals.

Another factor was the team's abundance of All-Star players: Steven Brooks, Anthony Puccio, Steven Conway, Tony Luongo, Denis DiLeo, and Steven McCormack, a goal tender who played organized soccer for the first time and posted a .000 goals — against average in regular season play.

Offensively, the team recorded 68 goals in 16 games. The leading scorers and front line were: Denis DiLeo, a junior, with 34 points; Tony Luongo, a junior with 27 points; Scott Somerville, a junior, with 14 points, and Jim Cobb, a senior, with 12 points.

Behind the lines of the game stood a team with character, character developed by the maturity of seniors Anthony Puccio, Steven Brooks, Michael Santini, Frank Borriello, Jim Cobb, Bill Aliberti, Jon Malone, Dick Petruzelli, Leo Lepore, Gary DeBenedictis, Peter Bramante, and Steven McCormack. Each individual worked, endured, and sacrificed for his fellow team members to make the 1983 season a rewarding season — one to be proud of!

Girls Soccer

This fall a new sport for girls was introduced at Medford High. Girls' soccer made its debut when girls' field hockey was dropped, due to lack of participation. Games were played on an informal basis.

Leading the team was senior captain Maria Silvestri and junior co-captains Maria Vasquez and Leslie Cozza.

Team members included juniors Michelle Fargo, Marie Fitzgerald, Colleen McCauley, and Sonya Walters.

Also included were Noel Carnevale, Kate Crowley, Michelle Bates, Daniella Trapella, Patricia Rosetti, Paula Gaetani, Kristin Lonnberg, Gina DePrima, Michelle Mortan, Shiobhan Maunsell, and Diane DeMarco.

The team's head coach was Rose Petrosso, and she was aided by assistant coach Stephanie Cardillo.

It looks like girls' soccer has a bright future at MHS.

Girls Swimming

The 1983-84 M.H.S. Girls Swim Team, which started its season late due to pool problems, ended the season with a three and six record.

Sixteen girls, small in quantity but mighty in quality, worked hard throughout the season. They were led by senior co-captains Andrea Bates and Carolyn DeAngelis, a long time swimmer who specializes in the 50 meter free style, 100 yard butterfly and the 400 meter free style relay. DeAngelis entered the 100 meter butterfly and 400 meter free style relay in both the sectionals and the states, finishing ninth overall in the butterfly.

The only diver on the team, Carolyn also ended her season successfully, considering she was not provided with a coach. She missed the sectionals by only ½ point.

Senior Beth Wells showed improvement in the 500 meter freestyle event in competition.

Another outstanding member on the team was Jennifer Purdy. A fine swimmer, Jennifer finished second in the sectionals in the backstroke event and also broke two of her own records during the season, the 200 I.M. and the 100 meter butterfly. She competed in both states and sectionals in all her events.

Kim Mantel, who is an excellent free styler, made a great contribution to the team, as did Julie Holland, in the breaststroke, and Tricia Sweeney. Other members of the team who proved to be outstanding were: juniors Michele Hanley, Pam Bates, sophomores Colleen Faulkner, Paula Porcaro, Tracey Kreatz, Ann Reynolds and freshmen Debbie Holland and Kim Bates.

Cross Country

With a six and one record for the season, the Boys Cross Country Team finished second overall in the G.B.L. The tremendous team consisted of only two seniors, both of whom are excellent runners. These two were the fleet footed Chuck Martin and jumping Joe Thielen. Because of injuries which occurred in the later part of the season, Medford was not able to show the best of their power.

Medford's dynamic, fleetfooted Chuck Martin finished out a brilliant career. In local and statewide competition this season, Chuck achieved first place in the Northern Area Competition and second place in the Division 1 state meet. In this season's All-State meet, Chuck finished fifth. In addition to this shining season, Chuck had 21 first-place finishes during the past three years and was selected to the All Star Team for three consecutive years. Chuck Martin has left an indelible mark on cross country competition at Medford High and in the G.B.L.

Much to Medford's liking, they obtained second place in the G.B.L. The senior strength and determination allowed them to become the *Mustang Winners!*

Geared to bring home the G.B.L. championship, Medford's leaping girls cross country team achieved second place in the league. Coach Lou Ruggiero and his pair of senior co-captains Janyce Gately and Charlotte Marean led the team to a 6-1 record.

The team of young female athletes were very impressive all year. The determination displayed by the "Gunners" proved that the jockettes would not be satisfied until they achieved the G.B.L. title.

Medford met their match when they were challenged by Peabody. As a result Peabody knocked the fleetfooted Mustangs into second place. The girls team accomplished miracles, and they should be proud of it.

Golf, 1983

The 1983 Medford High Golf Team turned everything round and wound up with a very respectable 4-3-1 record. he team was led by the talented co-captains tandem of Bobby oherty and Jimmy Morton. This season was a complete nange after winning only one match all last season.

The most impressive match of the year was the team's 6-3 ctory over Saugus in its opening match. As usual, Doherty nd Morton led the squad.

The golfers defeated Malden, Reading, and Waltham esides Saugus. They did, however, lose to Waltham, Reading nd Stoneham, and tied Malden.

The members of the team include Doherty, Morton, Keith)gren, Todd LoGiudice, Matt LoGiudice, Peter Casey, Greg erra, Sean Lally, and Tom Devlin. The team was coached by rank Jewett, who took over for the 1983 season. The position as formerly held by Jack Downs.

Football

The 1983 Medford Mustang Football season was a success for both the coaches and the team. The Mustangs' record was seven wins and three losses. Offense and defense had stupendous attitudes which could have led them into the Super Bowl. The 1983 pigskin season was gratifying and satisfying for everyone that was involved.

In the first game of the season, the Medford Mustangs challenged the Woburn Tanners. Much to Medford's comfort, the Mustangs won 25-8. The first score of the game was made by tri-captain Warren Olson who connected on a pass from junior quarterback Ernie Breen. Tri-captain Jim Catanzano booted the pigskin for an additional point. Linebacker Mike Fisher covered a Woburn fumble which led to the third touchdown that was scored by Jim Catanzano. Mike Micale also contributed on the fourth touchdown by covering a fumble that slipped through the Tanners' fingers. Olson sprang the fourth touchdown to end the game at 25-8, Mustangs.

The following week Medford was put to the test in Newton. Even the best of the Mustangs' strategies could not defeat Newton. Newton plowed through Medford, resulting in a bad nightmare which one would want to awaken from as soon as possible. Newton stung Medford with a 6-0 shutout. Even though the Mustangs had a minute blemish on their record, it did not hinder them from another success.

The 43-7 win over Chelsea at Chelsea and the 22-16 win over Somerville were the next two victories for the Mustangs, despite the defeat by Newton. Next, the Mighty Mustangs journeyed to Holden, MA to challenge Wachusetts Regional High School. There the Mustangs suffered a 14-8 defeat from the Mountaineers.

26-6 was the dismanteling results of the Medford-Revere game. Medford swept Revere off their feet, pulling the Patriots through the Mustang test. Barry entrapped a punt from Revere which led up to the first touchdown for Medford. Olson received a pass from Breen and the tri-captain sailed into the endzone, generating the first touchdown. Shortly after the beginning of the second quarter, Medford's Mike Barry caught a tremendous pass from Breen. After that touchdown completion, Barry received a two-point pass, pushing Medford ahead, 14-0. During the third quarter, Medford busted like women shopping for Cabbage Patch Dolls. The "Busters" quickly gained possession of the ball, and Barry scored the third touchdown. At the end of the second half. Barry earned the fourth touchdown from the one yard line. Because of Barry's outstanding performances, Mike obtained the fourth annual Centrella Award.

On a blusterly October afternoon, Peabody tore Medford apart with a 52-12 win. The Mustangs drove for the first touchdown but, from there on, it was a nightmare.

A triumph over Everett carried Medford's momentum even after the previous swineful victory for Peabody. Medford pounded Everett in a 37-0 shut-out. The Mustangs' offense and defense managed to work miracles. Warren Olson, tri-captain and 6'2" monster, produced three tremendous touchdowns. The **Cosmopolitan Football Player,** Mike Barry, blasted a touchdown from quarterback Ernie Breen. Another monster and tri-captain, Jim Catanzano, scored a touchdown without fault. All together, Medford played an astounding game. This win was another one put away for the 'Stangs.

Again Medford was put to the test, like r cars off the production line. The Musta hammered Arlington to a 20-8 conqu resulting in the sixth win for the 'Stangs. first touchdown was scored by Warren Ol who splurged into the endzone. Arlington could not put its strategies together. The n touchdown was the result of an awesome from Mike Barry. The extra point was gai by tri-captain Jim Catanzano. From the yard line, Barry received a handoff and plun into the endzone. Again, Catanzano earned extra point for Medford.

The Stunning 'Stangs reaped fabul benefits this past season. The team's attitu and unbelievable togetherness inspired Kelley to use the motto, "We Are Family."

The Medford Mustangs would not have b as successful as they were without the inter from the concerned coaches and pare Together, everybody made it possible for you athletes to develop a real sense of **Musta Pride!**

Thanksgiving 1983

The traditional 96 year old rivalry was once again part of history on November 26, 1983, Thanksgiving Day. The superior Medford Mustangs followed the lead of rookie coach Bud Kelly, and romped over the Golden Tornandoes of Malden, 25-14. The Mustangs were more like skillful professionals than high school boys in their man-to-man combat. Medford's exceptional offense and defense battled with enthusiasm.

The first quarter began with senior end Michael Barry receiving the kick-off. Like a bat out of hell, Barry spurted to gain 62 yards on the play. After Medford's yardage gain, quarterback Ernie Breen executed a sneek, and the Mustangs scored the first points of the game. With 1:44 remaining in the first quarter, senior end Steven Walsh received an awesome pass from Breen, and posted the second six on the board. These two remarkable achievements put the Mustangs ahead, 12-0, after one quarter.

During the second quarter, tailback Warren Olson delivered a td pass from Breen that nudged the Mustangs ahead, 18-0. Now the Tornadoes had possession. Quarterback Steve Monaco landed a pass in the arms of Medford's defense. Breen then slammed a pass to Walsh, allowing him to score for the second time. With 1:13 remaining in the first half, tri-captain Jim Catanzano booted a one-point conversion which ended the second quarter.

Breen was six for six in completions, and Medford's defense was awesome in the first half. The roaring defense hammered Malden for three quarterback sacks. As the first half ended, the Tornadoes were eating their dust, being on the down end, 25-0.

The third quarter began with a thundering response from the Tornadoes strength that left the 10,000 spectators on both sides gasping. Malden stormed against the Mustangs. Quarterback Monaco fired a completion pass to a Malden receiver, changing the goose egg to a six. After the completion, Malden went for the two point conversion which resulted in another score change. Malden receiver Paul Finnigan caught a bullet from Monaco which bolstered Malden's total to 14, to the Mustangs 25.

But Medford's strong "d" prevailed in the second half. Defensive M.V.P. Mike Micale and defenseman Chris Pennelli executed quarterback sacks. (Pennelli had spent most of the regular season out of action with an arm injury.) Another awesome sack was made by Brian Messina who had a late start on the season but proved to be fabulous in this game.

All in all, Medford played a hardnose game and made Golden Turkeys out of the Golden Tornadoes. Medford and Malden struggled through the traditional "Rite of November," and the Mustangs prevailed, 25-14.

Rah-Rah!! Pom-Pom girls of '84 rah-rah!

One doesn't realize how much dedication goes into being part of the Pom Pom squad. Flexibility and precision are required, but good grades are equally important.

After completing for places on the squad, the girls raise funds for their uniforms. During the summer, they spend at least three days a week learning an estimated two hundred cheers, three mounts, and a variety of half-time routines. As Thanksgiving approaches, the girls practice every day after school until 7:00 P.M. They stir the fans at football games, cross country meets, and hockey games where their efforts are also well-appreciated by the players.

Cheerleaders of the class of '84

The Medford High School Cheerleaders of 1983-84 were a dedicated and spirited team. Led by captain Michele Carriere and co-captains Laura Marquis and Pam Coleman, they experienced the joys and anguished moments of all the school's interscholastic sporting events. There were many memorable experiences and times for fun, but during practices they became serious and worked long, hard, exhausting hours.

Throughout the fall and winter, the girls cheered for the G.B.L. Champion Soccer team, the Mighty Mustang Football team, which soundly defeated Malden 25-14, and the superior hoop team. When they weren't attending a game, they practiced three times a week, roughly six hours for each session. For all their hard, dedicated work, they were rewarded with three winning season.

Basketball, 1983-1984

The Medford High Flying Mustangs were guided this season by rookie coach Angel Torres. At the three-quarter mark in the season the team owned a 7-3 G.B.L. record, and a 9-6 record overall.

The team opened up with a bang by defeating Brookline, 57-56. Medford's scoring attack was led by Steve Napier with 13 points, and Hector Cuadrado and Bobby Maloney with 12 apiece. Medford and Brookline matched up evenly in all aspects, and both teams used their better-than-average speed to create good scoring opportunities. Bill McMaster, Steve McCormick, Bob Quinn, Ed Ryan, and Brian Walker controlled the boards for Coach Torres.

The Mustangs then traveled to Waltham against the Hawks, a fast-paced running team. The Hawks proceeded to blow out the Mustangs, 69-47. The team's lackluster defense and Waltham's "run and gun" offense did the Mustangs in.

Just three days after their beating from Waltham, the Mighty Mustangs came right back at the Hawks and edged them 62-60. Medford outscored Waltham 23-13 in the final quarter and enabled the team to pull ahead for good. Medford's trio of Ed Ryan, Brian Walker, and Bob Quinn took care of the Hawk front line, which measured 6′7″, 6′5″, and 6′3″. Junior guard Fred Pizzi led all scorers with 13 points. He was followed by Napier (with 12, all in the final stanza), and Ed Ryan, with 12 also.

Coach Torres' squad participated in The Brockton Holiday Basketball Tournament, and returned home victory-less. They were blown out by West Roxbury 82-68, and dropped the consolation game, 74-66, to Randolph. Tri-captain Steven Napier scored 18 and 16 points respectively and *was* one of seven players named to the All-Tourney team.

Dropping its third game in a row, the Mustangs were defeated 86-70 by arch-rival Malden. Malden's speed pushing the ball up court quickly tired Medford, and the Golden Tornadoes took control in the fourth quarter. Steve McCormick came off the bench to turn in outstanding 20 points, and 8 rebounds.

Medford's bad luck continued as Chelsea player hit an 18 foot jumper with 5 seconds on the clock to defeat the Mustang, 68-67. Chelsea guard Steve Smith canned 14 second half points and kept Chelsea close in the fourth quarter. Stephen Napier swished 22 points to lead Medford, while Fred Pizzi and Hector Cuadrado handed out a handful of assists. Brian Walker (10 pts.) played tough "D" in the middle, while Ed Ryan (14 pts.) and Bill McMaster helped out under the boards.

The Mustangs broke their four game losing streak with a convincing 64-62 win over Arlington. Hector Cuadrado threw in 12 points and Stephen Napier added 14 to pace the Mustangs. Medford's starting five of Napier, Pizzi, Cuadrado, McMaster, and Walker played tight defense when the game was on the line. Steve McCormick came off the bench to spark the defense, and grabbed several clutch rebounds.

6′ 1″ forward Ed Ryan exploded for 22 points to help Medford edge Everett, 52-51. Ryan threw in 6 field goals and added 10 free throws in the course of the evening. Clutch free-throw shooting helped Medford seal its fourth victory of the season. Bill McMaster, Bob Maloney, Hector Cuadrado, Brian Walker, Fred Pizzi, Ryan and Steve Napier all dug in deep and played aggressive defense. Anthony Puccio came off the bench to light the defense on fire and was a big factor.

Medford continued its roll by punishing Somerville 75-53. Billy McMaster exploded for 30 points and went absolutely beserk against Somerville. He hit the 12-15 footers all night and was virtually unstoppable. Medford's tough defense once again was in fine form. Bob Maloney, Ed Ryan, and Anthony Puccio played tenacious defense and prevented Somerville from ever making a run at the Mustangs.

Medford survived several Revere scoring spurts and soundly beat Revere 80-73. Although they had leads of 18 and 15 points in the game, mental lapses on defense le Revere back into the game. Ed Ryan took control of th game and scored 27 points to spark Medford's high powere offense. Stephen Napier added 17, and Medford's junior Maloney, Ryan, Quinn, Cuadrado, Pizzi, and Bobby Russel kept Revere from getting too close. Anthony Puccio came of the bench to score eight big second half points, and clutch foul shooting helped Medford seal the victory.

The Peabody Tanners, the GBL's most dominant team ended Medfords 4-game win streak with a 68-67 victory Medford fought hard all the way, but Peabody, was just to tough. Steve Napier paced Medford with 16 points. Ed Ryan and Bill McMaster, each with 12 points, and Hecto Cuadrado, sparked Medford. Down 68-65, tri-captain Steve Napier hit a 30 foot bomb to pull the Mustangs within a point at the buzzer.

The Mustangs went on another winning way, by downing Malden, 70-69. Ed Ryan scooped in all alleyoop pass from tri-captain Bobby Maloney at the buzzer, to send home Malden in defeat. Stephen Napier scored 23 points by hitting 11 field goals and a free throw. Maloney was next in line with 13, and was followed by McMaster, with 11. It was the most exciting game of the season as fans got to enjoy the fast paced action that each team displayed.

Seeking revenge for the agonizing 68-67 defeat Chelsea handed them in the first meeting, the Mustangs defeated the Red Devils, 52-42. Brian Walker led all scorers with 16 points and also grabbed 14 rebounds. Steve Napier sunk 13 points for Medford.

Medford won its seventh out of eight games by defeating Arlington, 51-50. Junior tri-captain Bob Maloney scored the team's final seven points. Although Medford was outplayed, Maloney's heroics finished off Arlington. Tri-captain Steve Napier swished 18 clutch points Maloney added 10 to aid the team to victory.

Basketball

Even though the Medford High School girls basketball team was composed of only 8 players, they managed to establish themselves as tough competitors in the G.B.L. Many people underestimated the ability of Medford and thought they would not be able to save their team because of their shortage of players, lack of height, and the fact that only 2 of the players had played varsity in previous years. Well, the Medford girls proved them wrong.

The coach of the team is Julie Doherty. Considering all the problems the team ran into, Julie Doherty didn't give up. In fact, she didn't lower her standards at all. This season for her and her team was probably the toughest yet. Drills and practice games all had to be changed because there weren't enough girls. But Ms. Doherty did not give up. Neither did her 2 co-captains, Karen Mattioli and Kerry Lombard, both seniors. They were dedicated captains and most of all helped to keep the team together, not to mention the fact that they were the most awesome players on the team. Karen was the leading scorer in every game. Kerry was a very versatile player. She could play any position at any time without any problem.

The only other senior on the team was Toney Nelson. She was known for her quick and tricky moves. She could fake just about anyone out. Although Toney hadn't played varsity before, she still had an excellent season.

If one word could describe this team, it would be *dedicated*. Even though times were tough, they stuck together and finished their season in a respectable third place.

Swimming

The 1983-84 boys swimming season was highlighted by a group of top performers. In the 50 freestyle and 100 butterfly, it was Al DeLeo, the high scoring senior captain. Also for top performers were Brian MacIver in the 200 IM and the 100 freestyle, Damon Goldstein in the 200 freestyle and the 100 backstroke, and Mike Wyche in diving.

Under the coaching of Dick Lennon, the M.H.S. boys team completed a 2-1 season in the G.B.L. meets, losing by 4 pts. to Malden and a 0-5 season in non league meets.

The team had a slow start this season but were still able to foresee a great season for the team next year.

With the help of some bright young stars like Kevin Mantel, Jamie Cormier, Kevin Kazinski, Tony Lepore, Brian Mullen, Tommy Dunlop, and John Marsden, the sky will be the limit. This is a young team with a lot of potential to be seen in the years to come. Congratulations on a fine season. Good luck next year!

Hockey

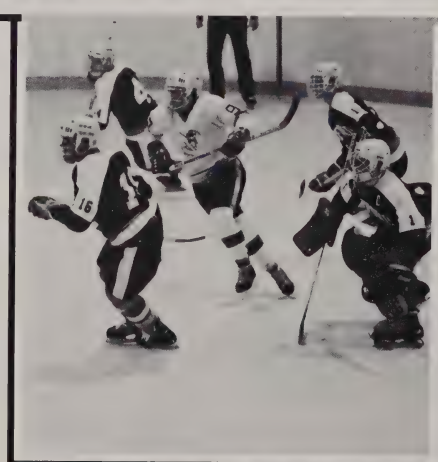

Upon entering LaConte Rink, one could sense a change in the quality of the air. It was thick and heavy, full of excitement and optimism.

Coach Ron Guidice's Varsity Hockey Team had worked hard for this, Opening Day. There were no thoughts of defeat, only victory! This year's team would undoubtedly be the 1983-84 G.B.L. Champions. And the hope became a reality! With a combination of speed, skill, depth, and pure guts, the Mustangs carried on a 10-0-2 record at the three-quarter mark of the season, the best record in the G.B.L.

Contributing to the team's success was the right combination of players. The first line, comprised of senior forward Bob Doherty and junior forwards Dave Doyle and "Beave" Brennan, and senior defenseman Bob Giacchino, and junior defenseman Scott Somerville, was a major contributing factor. The second line, ranked third in the state, has three leading scorers in the G.B.L.: senior Dan Mecrones (who led the league with 46 points), sophomore Mark Steritti (37 points), and freshman JoJo Sacco (37 points). On defense were senior captain Dom Veneziano and senior Frank Borriello.

The third line, sometimes unrecognized, proved to be a tremendous asset and gave great depth to the squad. It featured seniors Ron Bartallini and Jim Cobb, and sophomore Brian Walsh. On defense were senior Dick Petruzelli and junior Jamie Silva. A fourth line featuring junior forwards Tim Matatall and Dave Sodano, and freshman Rick Doyle, showed character and poise throughout the season.

In goal, senior *All-Scholastic* Dave Delfino was probably the single-most contributor to the team's overall success this season. His play ranked among the finest ever seen in the history of Medford High School. Dave was considered to be the top schoolboy goalie in the state. Backing him up was junior Bob Buckley, an extremely talented player who would be a starter on any other team.

The Mustang Hockey Squad this season was reminiscent of the Bruins of the early 1970's a tremendous combination of skill, poise, and grace under pressure, champions in every sense of the word.

Girls Gymnastics
Record 1-5

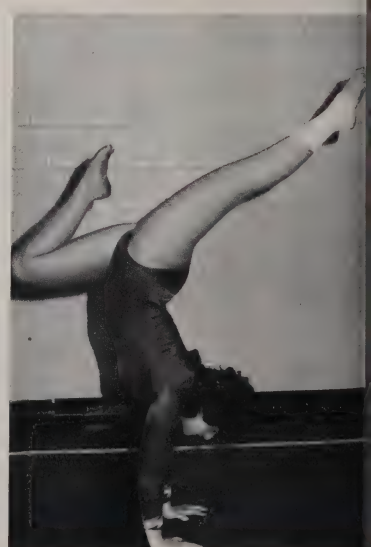

The girls gymnastics team of 83-84 consisted mostly of freshmen and sophomores. Although they were working on new routines, they scored very well.

Despite their loss of junior, Lori Marino, who is a top national gymnast, the team held together very well. Because of this loss they have lost over 34.00 points which cancelled their eligibility to participate in the state championship competition. But with time, practice, and determination, they hope to be in the competition next year. Coaches Josie Lemmi and Joanne Costles are optimistic. "We have the style and the talent. We just need more practice."

The girls scored higher in each meet. Routines were being improved with each meet. Their yearly goal was to reach 90 points as a team total. They achieved this with scores of 90.0, 93.5, and 96.0.

Indoor Track

The 1983-84 girls indoor track team was led by senior captain Janyce Gately. The girls completed their season with their first league title dethroning defending track champions, Peabody, who had been previously undefeated for seven straight years. The victory was sparked by junior Ellen Sartanowicz and senior Janyce Gately. Ellen ran an unblemished two mile race which she completed in Ellen's record time of 12:20.

Janyce Gately topped off the meet with a clear-cut victory in the 600 which she also completed with the league's best time of 1:32.

The mile relay team of juniors Ellen Sartanowicz, Marie Fitzgerald, Stacey Walsh, and senior Janyce Gately competed in the State Coaches Meet and gained a 5th place in a field overflowing with talent. Their time was 4:14.

by Milena Scudo

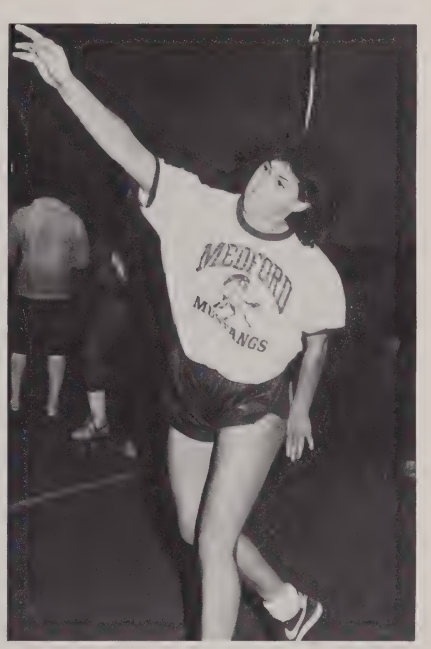

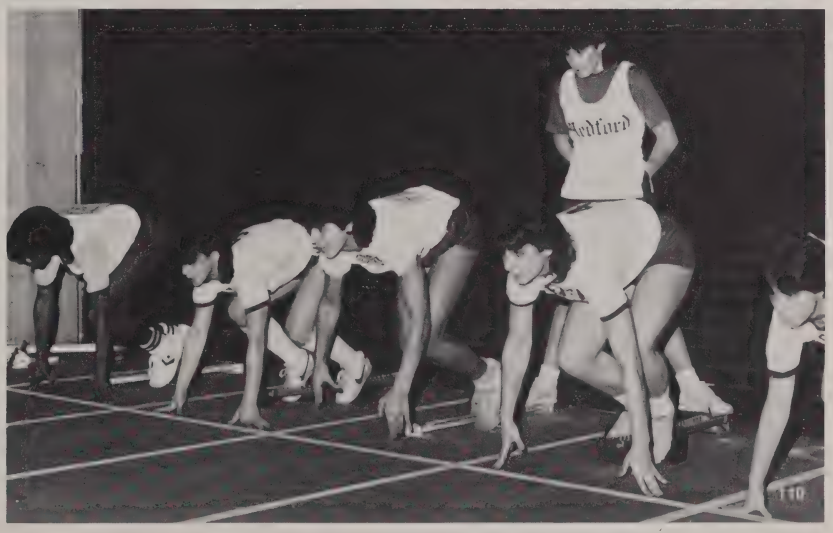

Senior members of the 1983-1984 track team are: Kelly Sheehan, Charlotte Marean and Janyce Gately (co-captains) Michelle Sheehan and Lisa Corliss.

Boys Indoor Track

The 1983-84 Hot-trot Medford Mustangs Boys Indoor Track was inspired by senior tri-captains, Randy King, Chuck Martin and Michael Fisher. Although the team's efforts were earnest, they took second place behind the undefeated Peabody track team. Outstanding Randy King had a very good year. His smashing track talents showed through his phenomenal achievements including:

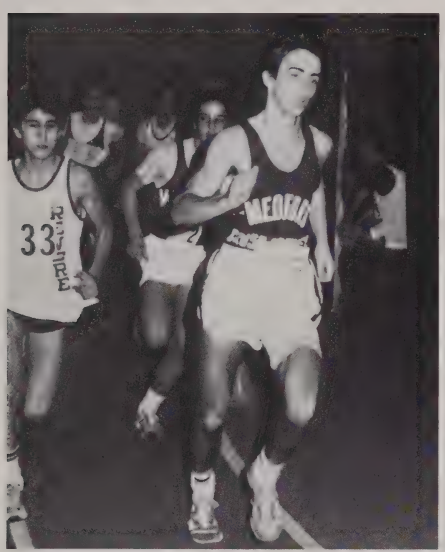

1. B.C. relays: 300 meter champ
2. Meet record: state record: 31.47
3. Second at B.U. relays: time was 49.3 in the 400 meter.
4. State coaches High School meet equal in meet record 31.7 300 meter.

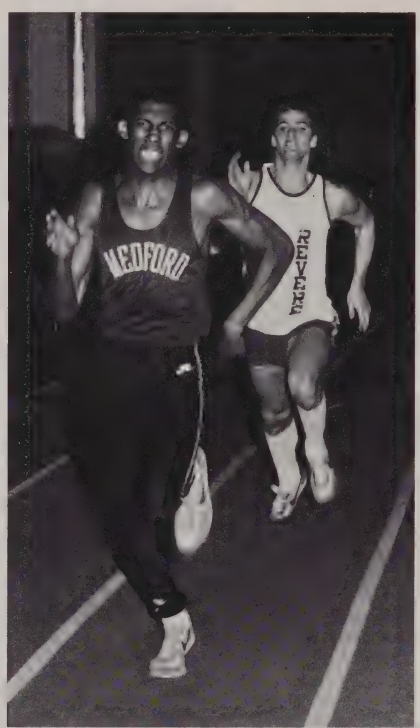

Olympic-Potential Randy also set a meet record and a New England High School record this season, and recorded the second fastest time ever set by a high school runner.

by Milena Scudo

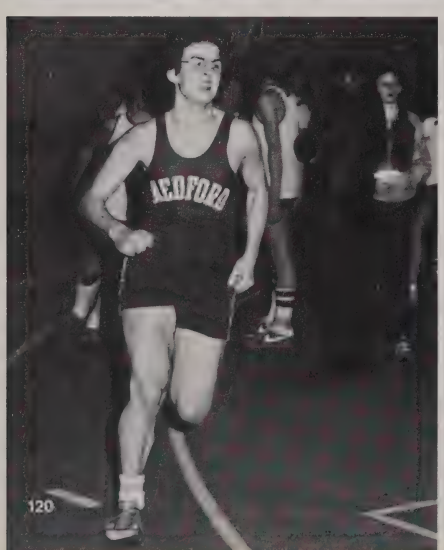

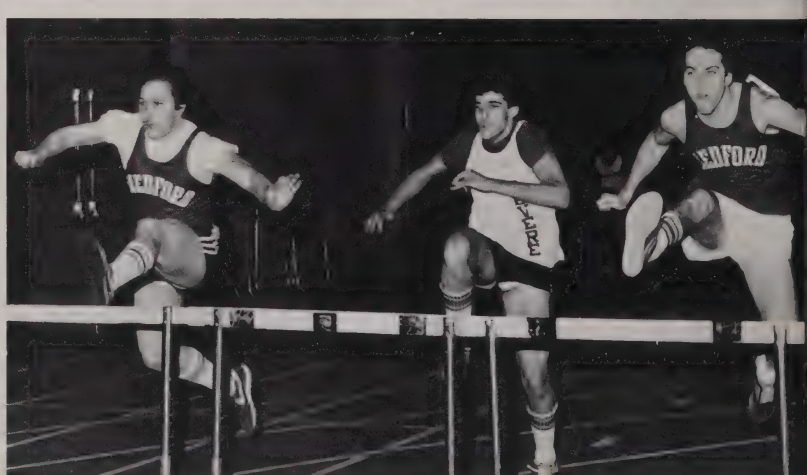

Senior members of the 1983-84 Boys Indoor Track team are: Michael Fisher, Randy King, Chuck Martin, Bi Heffernan, and Joe Thielen.

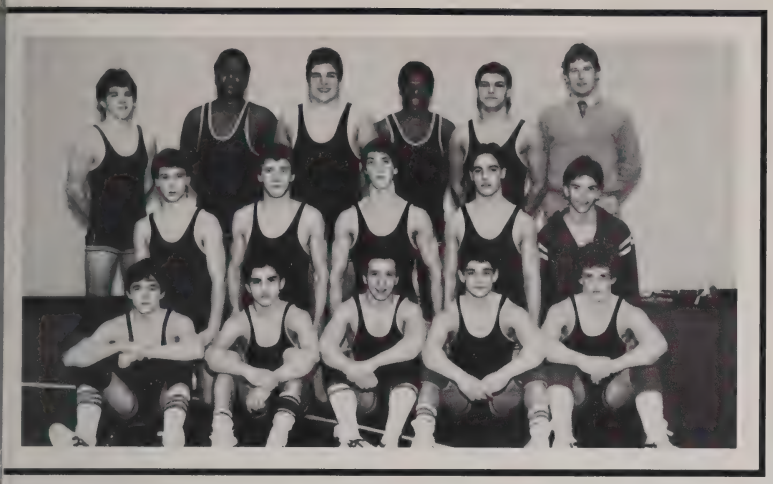

Wrestling

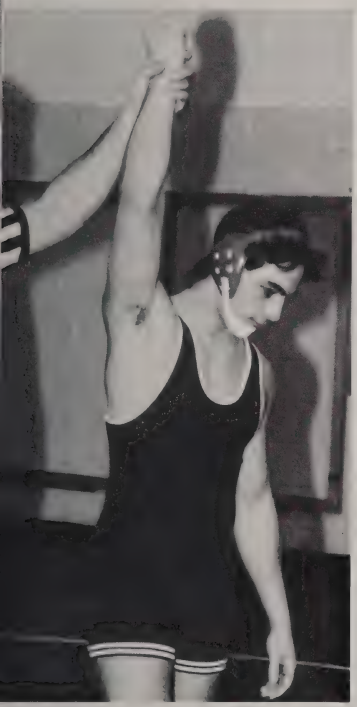

enior members of the Wrestling Team for 1983-84 were: Robert Lamb, Bill Aliberti, Brian McLaughlin, Tony Racioppi, and George Kourafalos.

This year's MHS Wrestling Team was led by captains Brian McLaughlin, Bill Aliberti, and Mike Shapiro. Brian McLaughlin (at 134) fought his way to a 6-1 record through a series of injuries. His only loss came due to a ripped shoulder muscle suffered during the match. Bill Aliberti (at 157) had a highly competitive season and showed great potential as the sectional tournament approached in February, 1984. Junior Mike Shapiro (at 140) compiled a 5-3-1 record and showed great promise for the 1984-85 wrestling season.

Other MHS wrestlers this season were: Mike Marks (at 128) who had an impressive 4-3 record in his first year; Steve Asaro (at 121), winning three of seven matches; heavyweights Marc Cutler and Duane Deane; Mike Defino (at 107); Tony Racioppi (at 157); Rob "The Crippler" Lamb (at 147); and George "KOP" Kourafalous (at 169); Doug Champa (at 134); Frank McDonough, and Tony Jones (both at 140).

The team won a greater percentage of personal matches than they lost, due to the strength and wrestling ability of each individual. Out of a possible 12 varsity weight classes, the team was only able to fill seven or eight of them in each match. This made it virtually impossible to win as a team.

Freshmen Officers and Our Class Advisor

Freshman Class Officers for the Class of 1984 were: president, Christine Iozza; vice-president, Marcelle LaBella; secretary, Michelle DePaulis; treasurer, Lynn Kissinger, and School Committee representative, Hank Morse. Ms. Christine Valentyn served as class advisor.

Sophomore Officers and Our Class Advisor

The Sophomore Class Officers for the Class of 1984 were: president, Velle Leonin; vice-president, Tess Leonin; secretary, Terry Lonergan, treasurer, Hank Morse, and School Committee representative, Kim Melican. With the help of class advisor, Mr. Alfred Pompeo, the class officers made the 1981-82 school year a memorable success.

Our Freshman Semi at Carroll's

The first social activity held by the Class of 1984 was on June 5, 1981, at Carroll's Restaurant in Medford. It created an element of excitement and a base for future social events not only for those who attended but for the entire class. Class advisor Ms. Christine Valentyn organized the event which featured a hot and cold buffet. And from that night on, the Class of 1984 partied as often as they could, through sophomore, junior, and, of course, senior year!

Sophomores Dance to "Open Arms"

The VFW Hall on Mystic Avenue in Medford was the site for the Sophomore Semi-Formal. This gala activity was held on May 14, 1982, from 7:00-11:30 P.M.

As the couples arrived, they posed for their memorable portraits and mingled with others in attendance.

The menu for the evening was a hot and cold buffet which featured sweet and sour meatballs and chicken wings. The tempting meal was rounded out with pastries.

Class advisor Mr. Alfred Pompeo shared the head table with invited guests Ms. Sharyn LaHaise, Mr. Francis Murphy, Mr. Thomas Colonna, Mr. Henry Selvitella, Mrs. Clementina Simone, Mr. Peter Brady, and Mr. Patrick Granfield.

The class danced the night away to music by D.J.'s Ennio and Jeff Cataldo. Finally, the time arrived for the crowning of the King and Queen and their court. The lucky couple was Jimmy McFeeley and Andrea Marano. Members of the Court were Paul Lemmi, Sandy Henderson, Erik Savoia, Maryberh DiRocco, Ron Bertalocini, and Jane Eberth.

As the memorable evening drew to a close, all the couples took one last turn around the dance floor to the theme song of the evening, "Open Arms".

SENIOR ASSEMBLY

On October 18, 1983, a general meeting of the Senior Class took place in Cages 3 and 4. Mr. James McKinnon, submaster of the Class of 1984, introduced Jimmy, Michael, Michelle, Kim, and Hank, this year's officers. Then Ms. Gulino, co-advisor to the class, addressed the audience which, for the first time, included students and teachers from the Vocational School. Another first for this meeting was the fact that such an assembly had not been held in recent memory.

Among the topics presented by Ms. Gulino were a list of upcoming class events, including the Prom at the Hyatt Regency in Cambridge, yearbook information concerning payments and submittal of senior portraits, and the introduction of the editorial board of the yearbook.

The seniors listened attentively and asked questions at the end of the presentation. To the credit of this year's class, 95% of the seniors were photographed and sent in their portraits on time, and attendance at class functions, especially the Halloween party, skyrocketed over last year's record. It pays to advertise!

Junior Halloween Party October 29, 1982

The Malden Moose received its usual mixture of goblins, ghosts, and ghouls on October 29, 1982. Among this colorful, crazy crew was the best dressed female, Michele Carriere, as Tylenol, and the best dressed male, Michael Raimo, as G.I. Joe.

Taking the honors as the best female group was The Strawberry Shortcake Gang, also known as Laura Marquis, Karen Hayes, Alison Lordan, and Janyce Gately. Male honors went to "cheerleaders" Erik Savoia and Frank Borriello. All in all, the dance was frightfully successful.

Junior Christmas Party December 2, 1982

The Junior Christmas Party was held on December 2, 1982, at Anthony's of Malden. This successful event drew together 120 members of the Class of 1984. The large crowd feasted on a hot and cold buffet which featured beef stroganoff and macaroni and meatballs, and was rounded off by tempting desserts. The spirit of the season was magnified by the colorful decorations of the room. And the Class of 1984 shared their happiness as they rocked to the music of the Caraldo Brothers. The highlight of the evening was class president Jimmy Catanzano's rendition of "Do-A-Dirty!"

Junior Marshals and Ushers

The Junior Marshalls and Ushers for the Class of 1984 were selected on the basis of academic achievement, attendance, participation in class activities, and recommendations from submasters and teachers. Over 80 members of the class applied. Those selected to be Ushers were: Stephen Brooks, Joseph Callahan, James Catanzano, Stephen Conway, Gary DeBenedictis, Albert DeLeo, Paul Hunt, Ronald Laham, Leo Lepore, Hank Morse, and Stephen Napier. The Junior Marshals were: Linda Cangiano, Meilin Ching, Karen Hayes, Ann Marie Hughes, Christine Iozza, Melani Karp, Patricia Kearney, Velle Leonin, Tess Leonin, Terry Lonergan, Alison Lordan, Laura Marquis, Marina Masciarelli, Patricia McCormick, Kimberly Melican, Susan Perella, Mary Polley, Barbara Rixon, Patricia Russo, Randi Shneider, Paula Trotto, and Beth Wells.

The eleven boys and twenty-two girls served as escorts to the invited guests at the Senior Prom of the Class of 1983, and as an honor guard at Class Night ceremonies and at graduation exercises for the Class of 1983.

Junior Prom
June 3, 1983

The date was set, gowns bought, tuxedoes altered, and flower arrangements ordered. On June 3, 1983, the Class of 1984 approached Montvale Plaza in Mustangs, Camaros, and limousines. Pictures of the handsomely dressed couples were taken promptly.

Following a formal dinner, the high heels were kicked off, jackets slung over the backs of the chairs, and the floor was immediately covered by the young crowd as they danced to music provided by the Cataldo Brothers. The dancing came to a stop as the time came to choose the Prom King and Queen. Michelle DePaulis and Stephen Sullivan were chosen to head the Royal court which included: Joe Amato, Karen Perry, Patricia Kearney, Billy Giannasca, Velle Leonin, and John Sands.

As the magical evening drew to a close, Jimmy Catanzano, Hank Morse, Robin Vendice, and Patty McCormick, four of the junior class officers, presented class advisors Ms. Diane Gulino and Mrs. Margaret Kane with pearl earrings as a token of the classes' appreciation for their efforts during 1983 and 1984. Following the presentation, the moments dwindled romantically away to the melody of the prom theme song, "My Love." And the limousines arrived to transport the Class of 1984 back to reality, with warm memories of the beautiful evening to sustain them until the Senior Prom at the Hyatt Regency in May of 1984.

President Jimmy Catanzano:

"My four years at Medford High School have been an experience I will never forget. It was the first time I was exposed to different types of people and problems which affect my life. The best thing about my four years was the girls I encountered.

"My plan for the future is to further my education. After college, I hope to support a wife and five kids.

"In twenty years, I would still like to be married and supporting my family with my job as an airplane pilot. One important thing I hope to be doing in twenty years is living."

Vice President Hank Morse:

"Medford High School does much more for kids than people think. There's no other school that could have done more for me academically or socially. I enjoyed high school very much, and I'll be sad to get out. I think most kids will miss it, especially the social part. Everyone's afraid they won't see their friends again. I know I am.

I hope to go to college and major in broadcast journalism. I'd like to be a news anchorman someday. My goal is to work for WBZ-TV and then to work for a network. I hope to get married and have a family and I hope to do a lot of traveling. Hopefully, I'll live in New England.

"In twenty years, I want to be a successful news anchorman in the New England area. But if it's necessary, I'll move to another area if it means fulfilling my career goal."

Secretary Michelle DePaulis:

"My four years at Medford High School have definitely been a learning experience, but not just in the academic sense. I have learned a lot about people and also discovered things about myself.

"After graduation, I plan to travel across the United States and possibly go to Europe. When I return, I want to attend a travel agency scholand, hopefully, make a career relating to travel.

"In twenty years, I would like to have accomplished most of the goals I've set for myself. I also want to be content with my life no matter what I do."

Treasurer Michael Micale:

"I'd say that my four years at Medford High were GREAT!

"In the future, I'd like to become a well-known scientist and to work to discover a cure for cancer.

"Hopefully, in twenty years, I'll be living in a mansion, making millions from my scientific discoveries. I'd also like to be married to a covergirl."

School Committee Representative Kim Noftle:

"In my four years at Medford High School, I have met many new friends that I will remember for the rest of my life. Medford High has not only taught me English and math but also a lot about myself.

"My plans for the future are to attend a business college and to major in retail management. I hope to someday manage my own store.

"In twenty years, I hope to have married a millionaire and to have a little girl named Kirby. Mainly, I hope to be happy and healthy."

Senior Halloween Party October 29, 1983

On Saturday, October 29, 1983, the Kowloon Restaurant in Saugus was invaded by Nerds, Court Jesters, Babies, Martians, and many other crazy concoctions cooked up by the members of the Class of 1984 as they attended their Senior Halloween Party. During the course of the night, prizes were awarded for the best costumes. Frank Borriello won the best male costume as a six-foot tall "baby", while the best female costume went to Michelle Escott as the Pillsbury Dough Girl.

There were also group costume prizes given to Sheila Neirinckx, Karen Cempe, and Susan Perella as Snap, Crackle, and Pop, while the Nerds revealed themselves to be Jim Norton, Kevin McCoy, Robert Giacchino, and Billy Silva. After a tremendous Chinese meal, the revellers danced the night away to the music of "On the Beat" D.J. Ron Zampell.

Medford High Inducted Into Students Against Driving Drunk

On January 24, 1984, Medford High School was inducted into the National Organization of Students Against Driving Drunk. The Student Council, the National Honor Society, and other selected members organized the formal ceremonies.

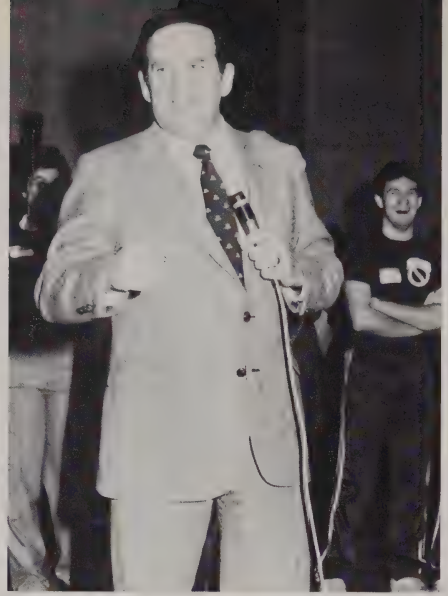

Over 3000 sophomores, juniors, seniors and guests attended, along with the superintendent of schools Raymond Murano, Headmaster Salvatore Todaro, Mayor Paul Donato, members of the School Committee, and City Council, who spoke to the assembly. Also present were Mrs. Marion Stokes, vice-president of MADD, and our honorary chair-person, Mike Krushelnyski of the Boston Bruins.

Robert Anastas, National President of SADD, spoke for over 45 minutes on the dangers of driving drunk, and the consequences which could result. He spoke of some of the true incidents which affected him personally, and how they could affect us.

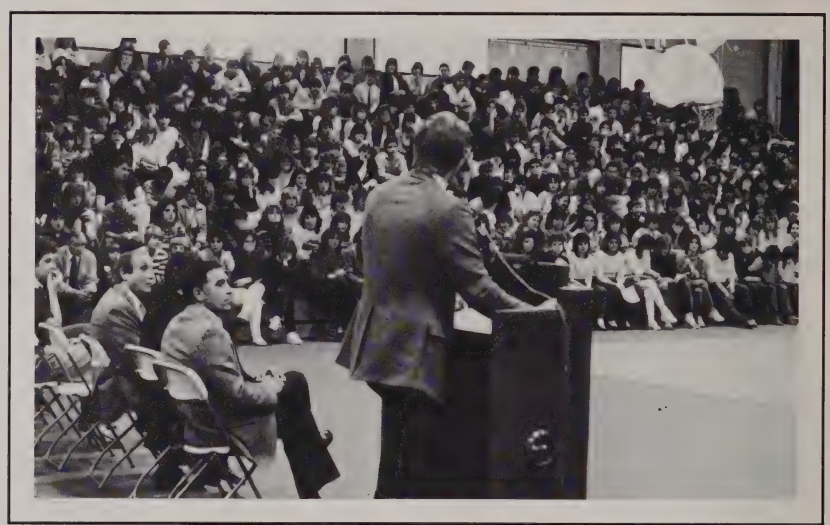

Special copies of the "Contract For Life" were distributed to those present. The "Contract For Life" is a document between a parent or guardian and the teenager. It tries to stress the importance of communication between the two. It states that "he/she will be available to pick up their child at any hour, if he/she was in a situation where he/she has had to much to drink, or a friend or date has had too much to drink."

Mrs. Marilyn Blumsack, advisor to the Student Council, organized the day. The officers of SADD are Marina Masciarelli, president, Randi Shneider, vice president, Sonya Brown, secretary and Michelle Carriere, treasurer.

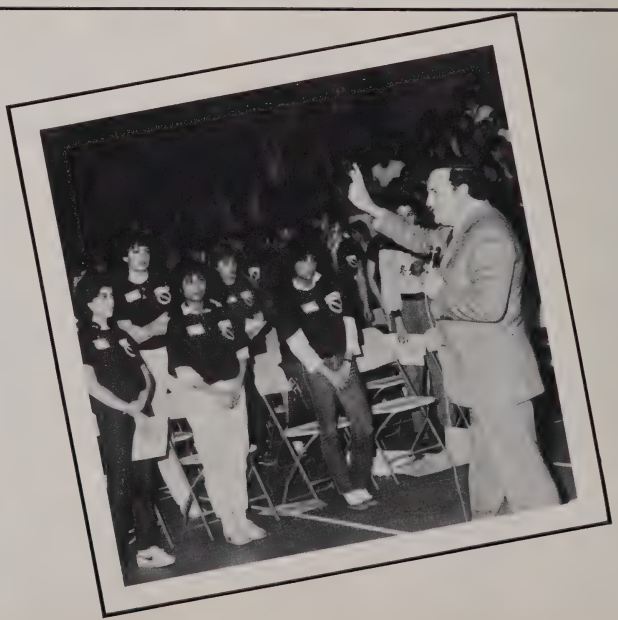

In closing, members of SADD launched 50 balloons into the air.

Senior Christmas Party December 2, 1983

On December 2, 1983, the Class of 1984 flocked to the Malden Moose for a pre-Christmas Revelry. Nearly 150 people attended this great event and gorged out on a hot and cold buffet catered by Henry's Catering Service.

Happiness was the mood of the evening as the seniors nostalgically reminisced about the parties of the past and danced the night away. *Vogue* editors would have been in awe to view the beautiful dresses and handsome suits which the revellers sported.

Near the end of the evening, "Santa", aka Frank Borriello, appeared and passed out candy canes and chocolates to the "naughty and nice." All in all, it was a night to remember by all who attended.

The Mustang News

For over twenty years the *Mustang News* has been writing stories and articles about student accomplishments and failures at Medford High School.

Since its creation in February, 1963, the NEWS has covered problems that directly affect the student body. Articles have ranged from special reports on drugs and teenage sex, to interviews with Governor Dukakis, Art Buchwald, Jack Anderson and Howard Cosell.

The newspaper has won every major journalism award in the United States. Awards have been received for highest achievement in editing, publishing, and writing from the New England Scholastic Press Association. First place certificates have also been presented to the NEWS. The paper was recently named All-New England by the New England Scholastic Press Association.

Through the years, the Mustang News has given scholarships to potential journalists. There are two scholarships given each year. The Carol Ann Baxter Award is given in memory of a staff member who died in 1965. Thus far, the award fund has granted over $5000 to students majoring in journalism. The other scholarship is named after the paper's advisor, Henry R. Selvitella. Over two dozen former reporters are currently in the professional world of television.

The *Mustang News* has been financed through advertising, donations and fundraisers for the past two years. The NEWS is printed by the *Medford Daily Mercury* and is inserted as a supplement in the paper. An average press run for the NEWS is 10,000 copies.

Positions on the Mustang News are opened to all Medford High School students. All steps in the preparation of the newspaper, with the exception of the actual printing, are done by student journalists. These steps include writing, editing, soliciting and designing ads, taking and preparing photographs, and laying out the final paper. An estimated 500 hours goes into each edition.

None of this would be possible without the help of NEWS advisor Henry Selvitella. Mr. Selvitella puts countless numbers of hours into the newspaper. Without his support and patience, *The Mustang News* would not exist.

This year's editors were: Cathy Cocks and Cindy Wilson, Co-news editors; Dianne Ribeirinha, advertising editor; Dora Schaefer, art editor; Denise Thorud, editorial editor; Gerilyn Alfie, previews and reviews editor; Beth Wells and Hank Morse, co-sports editors; and Paula DeRienzo, typing editor.

The Executive Board

The Student Council was elected by the student body when each class elected its class officers. As a group, the council represented the entire student body of Medford High School. Led by president Marina Masciarelli, the Council accomplished all of its major goals this year.

In September of 1983, members of the council acted as guides during Freshman Orientation and, again, at Parents Program Information Night in October, 1983. For Thanksgiving and Christmas, the members collected money and donated food to a needy family in Medford. Also, during the Christmas season, the Council collected over 200 dollars from the student body and staff of the high school. This money was donated to the *Boston Globe* Santa Fund. On January 24, 1984, Medford High School was inducted into the National Students Against Drunk Driving (SADD) coalition during impressive ceremonies held in Cages 3 and 4 during the school day.

Through the efforts of Marina and other members of the Council who attended School Committee meetings regularly, many important improvements for student welfare were accomplished this year. Among them were an increase in the number of buses available for students who participate in after-school activities, an increase in the number of bathrooms open during the school day, and an agreement to plow student parking areas after snow storms.

The council also worked diligently to build community spirit and to improve the school lunch program. At the end of the year, the council gave a scholarship to a member of the Class of 1984. To sum it up, it was a banner year for Medford High's Student Council.

Hickey (advisor).

Margret Abbruzese — President

The Vocational Student Council is made up of representatives from each department. Their function is to act as a vehicle for the implementation of the academic, civil, and social activities of the Vocational-Technical High School.

All four classes participated in activities which included PTA nights, field trips, fund raising, and a sounding board for students concerns and school organization. Membership is open to the entire Vocational student body, from which an Executive Board is appointed.

The 1984 president of the Vocational Student Council was Margaret Abruzzese, who was also the Vocational Representative to the Massachusetts State Board of Education. Advisor to the Student Council was Mr. Kevin Hickey.

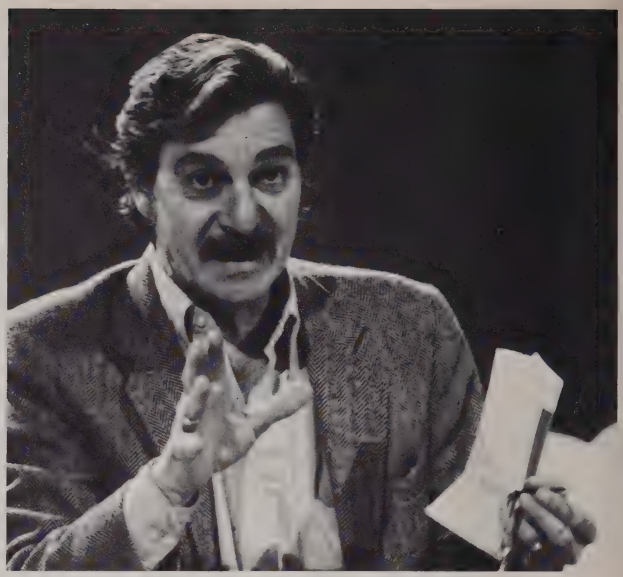

The Drama Club

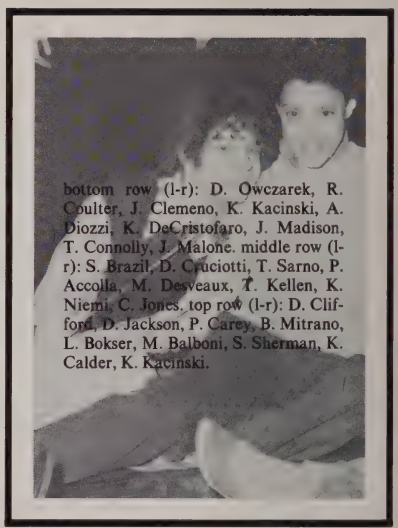

The Act IV Drama Club, under the new direction of Mr. Louis Gaglini, is an extracurricular activity in which young, aspiring thespians can achieve experience in all aspects of theatre arts. The group performs various shows which include a yearly spring musical.

Since 1980, the group has performed *Hello, Dolly, Sweet Charity, The Pajama Game, Once Upon a Mattress* (1983), and *Up the Down Staircase* (1984). In addition to acting, group members received experience back stage with set building, lighting, sound, costuming, and make-up arrangements. Revenues for the cost of each production came solely from the sale of tickets, and performances were held in Chevalier Auditorium and the high school Little Theatre.

This year's officers were: president, Kathi Kacinski; vice president, Alicia Diozzi, and secretary, Karen DeCristofaro.

The Audio Visual Club services the faculty and staff of Medford High School by providing requested equipment and materials for classroom use. It also videotapes major school productions and athletic events for broadcast on Warner Cable Channel 13.

During the past four years, the club has videotaped Act IV's productions of *Hello Dolly* and *Sweet Charity,* productions by the Mystic Players, elementary and junior high school presentations, varsity basketball games, and, on January 2, 1984, the inauguration of Mayor Paul J. Donato, the City Council, and the School Committee.

Future plans for the Club include the building of a television production studio within the school, and becoming a part of the cable channels network. These plans will help the club to realize one of its major goals: to provide at-home television coverage of important high school events and activities. Advisor to the Audio Visual Club is Mr. Richard Trotta.

The Ski Club

Senior members of the 1983-84 Ski Club are: Melani Karp, Pauline Fitzgerald, LeeAnn Scola, Mary Polley, Barbara Rixon, Maureen Richardson, Lisa Corliss, Robin Vendice, Gary DeBenedictis, Maria Silvestri, David O'Connell, Steven Conway, Kim Melican, Kristin Galluccio, Kelly Sheehan, Rosemary Najjar, Pat Anzalone, Tracy Hollander, Lenny Tammaro, Renée Burgess, Michelle Sullivan, Leo Lepore, David LeBert, Erik Savoia, Patti McInnis, Hank Morse, Beth Wells, Buddy Newman, Debbie Corliss, Frank Borriello, Michael Santini, Anita Colasante, Joe Callahan, Anthony Giordano, Robert Lamb, Julianne Bryan, Tracey Smith, and Cathy Kelley.

The purpose of the Ski Club was to expose students to other winter sports outside of school athletics. Each year, the student membership reached at least a high of 90 students. Each member paid dues, plus each member got to experience one, or possibly two, ski weekends at the places of their choice. The season was summed up with a small party and the purchasing of club sweatshirts in the spring.

This year, two trips were planned. The first was the weekend of January 6-8, 1984 at Killington, Vermont. 42 members attended. The second trip was at Sugarbush in Vermont, March 16-18, 1984.

This year's officers were: president, Maria Silvestri; vice president, Cathy Kelley; secretary, Robin Vendice; treasurer, Gary DeBenedictis. Advisors to the Club were Ms. Stephanie Cardillo and Ms. Rose Petrosso.

Mr. Gugger

The purpose of the Foreign Language Club is to enliven the study of a foreign language for the students, as it provides opportunities for many enjoyable features of language study. The members were introduced informally to foreign civilization through guest speakers, music, slides, and films. Special events included the beautiful singing of the Haitian girls at the Christmas party, and the foreign language banquet which was a fitting climax to our activities for the year.

The National Honor Society

seated (l-r): Julianne Bryan, Theresa Leonin, Rosemary Najjar, Steven Brooks, (treasurer), Patty McCormick, (secretary), Randi Shneider (president), Kerry Lombard (vice president), Marina Masciarelli, and Evelina Leonin. standing (l-r): Margaret Abruzzese, Patricia Russo, Mary Polley, Gina Sbuttoni, Robert Johnson, Melani Karp, Albert DeLeo, Kim Dello Russo, Karen Hayes, James Catanzano, Monique De Vos, Betty Alepedis, Ann Marie Hughes, Carolyn De Angelis, Michele Carriere, Evelyn Smallcomb, Roxanne Fernandes, and Linda DelGreco.
missing: Joan Matarazzo, Susan Perella, and Lauren Walsh.

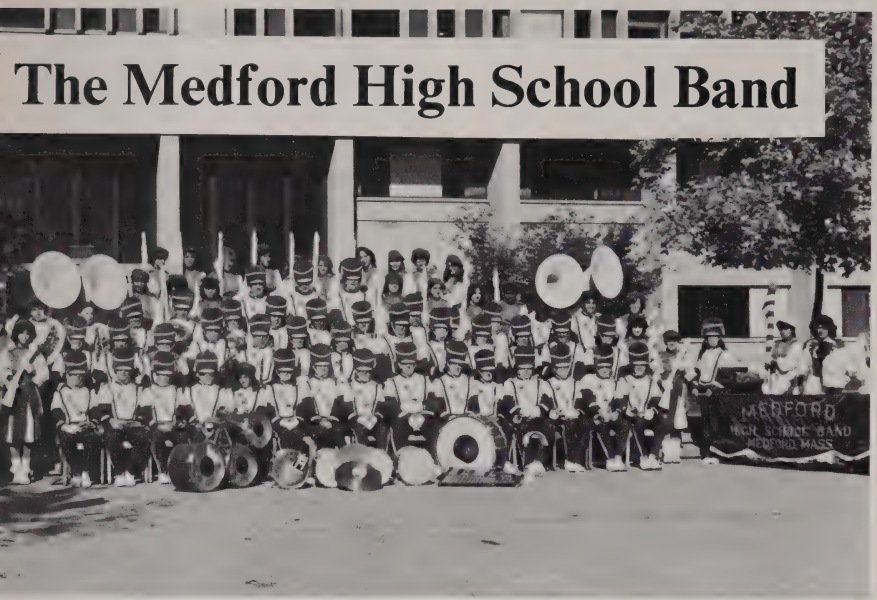

The National Honor Society is an organization to which students who demonstrate outstanding academic ability, school, and community involvement must apply to be accepted. Membership is open to juniors and seniors.

This year, Medford High School's chapter of the Society participated in many activities. President Randi Shneider and vice president Kerry Lombard led the society in a Blood Drive on December 9, 1983 at the high school. The society also sponsored a book drive and raised money for a car.

Most of the members participated in a weekend trip to New York and attended the annual banquet held at the end of the year.

A new choral director, Ms. Joan Broadie Feldmeier, came to us this year from Portsmouth, Maine to direct the "Spectrum Singers" and the "Odds and Ends" choruses. A school concert for Christmas was conducted on December 22, 1983, in addition to a spring concert. The two choral groups also performed programs for local and surrounding area organizations.

Members of the groups also enjoyed a varied social calendar. Among the events was a Halloween party during which prizes were awarded for the best costumes. At the annual year's end banquet, many seniors were honored with trophies for their contributions to the choruses.

This year, two seniors, Thomas Connolly, Jr. and Denise Lane, president of the "Odds and Ends", were accepted into Northeast District Chorus. This highly selected ensemble is composed of students from grades ten to twelve who demonstrate outstanding ability in voice. In addition to this distinction, Denise was recommended to audition for the All State Chorus in January of 1984.

Standing, left to right: Monique De Vos (treasurer), Debbie Corliss, Jenifer Owens (secretary), Linda Mazzeo, Harriet O'Donnell (president), Cathy John, Linda Hegarty, Ann Marie Hughes (vice president). Seated: Mr. Joseph La Porta, advisor.

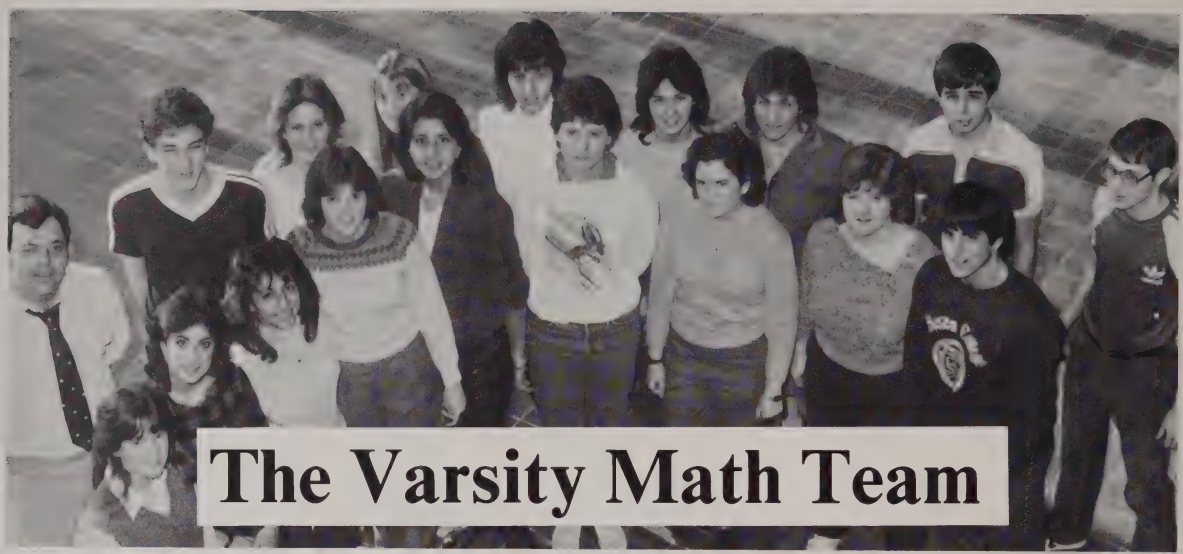

The Key Club of Medford High works under the auspices of the Kiwanis Club of Medford. Primarily, it is a public service organization devoted to both school and community activities. The principal community activity is the "Saturday Morning Program" through which members spend three hours a week working with local retarded citizens. The objectives of this program are to provide enjoyment and to instill confidence in these citizens.

Another annual project of the Key Club is participating in Jail Day, sponsored by the Kiwanis Club, to raise money for retarded citizens. This year, many members of the club stood in the streets of the city, asking passing motorists to make contributions.

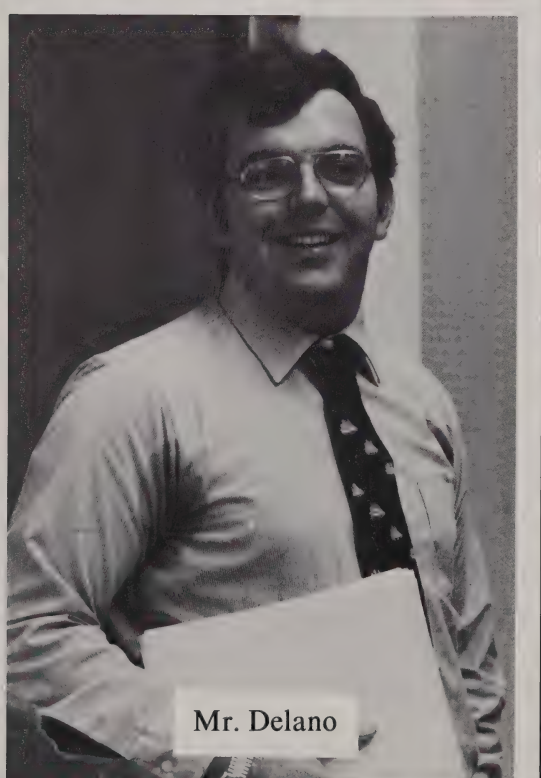

The highlight of this year was the annual three-day district convention held in Hyannis, Massachusetts. All members of the Key Club attended this event and shared their accomplishments with statewide representatives.

Mr. Joseph LaPorta is the advisor to the Key Club at Medford High School.

Mr. Delano

The Medford High School Undergraduate and Graduate Math Teams are organized and sponsored by Mr. David Delano, Mr. Richard Nelson, and Dr. James Cavanaugh of the Mathematics Department. The teams were originally organized to encourage students with excellent mathematic skills to develop their powers of analyzing and reasoning. This year's teams were actively involved in interscholastic competition with many local and statewide schools.

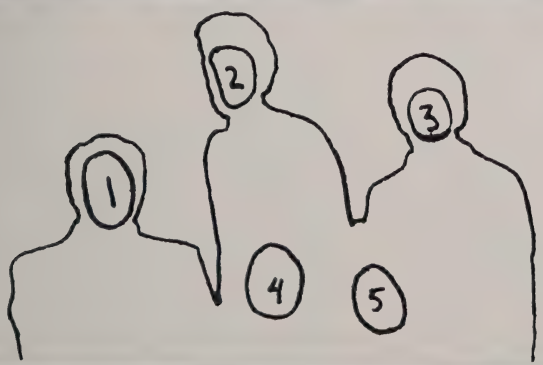

The Mu Alpha Theta Society

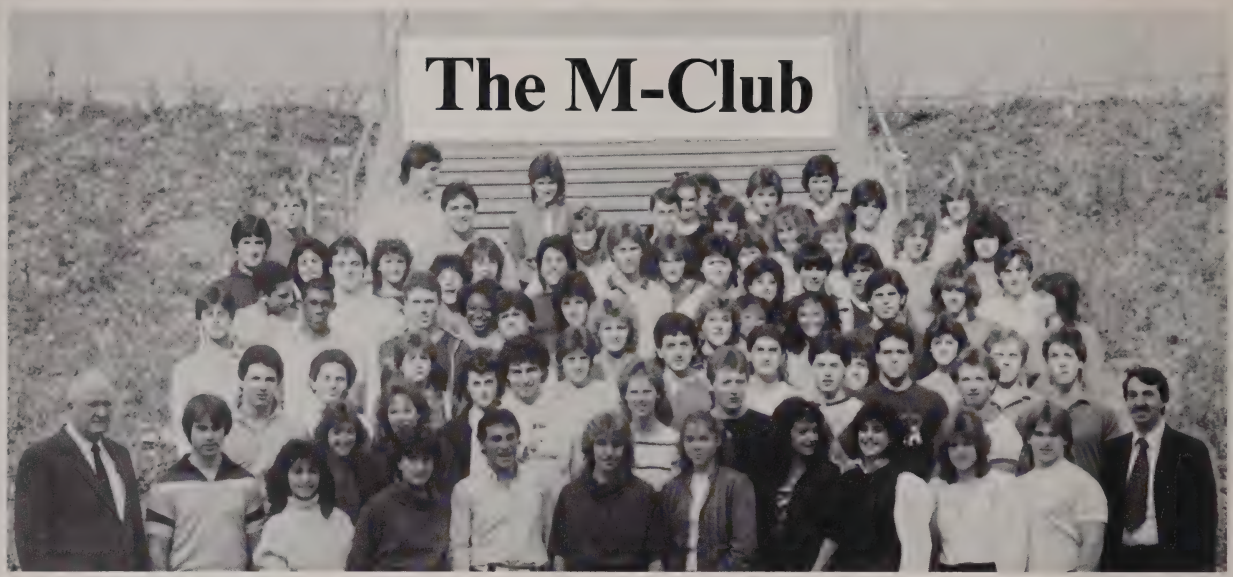

Mu Alpha Theta is an international high school mathematics honor society. It is sponsored by the Mathematical Association of America and the National Council of Teachers of Mathematics. The Medford chapter consists of students at the high school who have both excelled in all their mathematics courses from freshman through senior years, and have demonstrated exceptional ability on the mathematics team. All members of the society received recommendations from their respective teachers, with final selections being made by Mr. Michael Antone, head of the Mathematics Department.

Outstanding members of Mu Alpha Theta this year included Marina Masciarelli, Kerry Lombard, Carolyn DeAngelis, Robert Johnson, and Mark Wesley.

The M-Club

Senior members of the M Club, 1983-84 are: Bart Newman, Michele Carriere, Lauren Walsh, Anthony Puccio, Robin Vendice, Charlotte Marean, Janyce Gately, Christine Iozza, Jane Wallace, Paul Lemmi, Paul Hunt, Loren Ciccia, Dom Veneziano, Judy Shumski, Laura Marquis, Marcelle LaBella, Frank Borriello, Stacey Walsh, Jane Eberth, Leo Lepore, Michael Santini, Gary DeBenedictis, Steven Conway, Rene Burgess, Dickie Petruzelli, Pam Coleman, Steven Brooks, Michael Fisher, Billy Aliberti, Brian McLaughlin, Brian Branson, Trent Headley, Randy King, Warren Olson, Andrea Turner, Chris Pennelli, Paula Trotto, Lori Schlesinger, Tess Leonin, Velle Leonin, Carolyn DeAngelis, Al DeLeo, Steven McCormick, Susan Perella, Karen Cempe, Jimmy Cobb, Theresa Neirinckx, Jimmy Catanzano, Michael Barry, Chuckie Martin, and JoAnn Frabetti.

This year, as in the past, officers and members of the M Club completed a busy schedule of social and fundraising events. The year started off with a Pre-Thanksgiving Dance on November 14, 1983. It was a great way to celebrate this year's tremendous Thanksgiving victory over Malden High School.

A Christmas dance had been scheduled for December but, due to inclement weather which closed down the school, the dance was finally held on January 14th, 1984.

Traditionally, the M-Club has sponsored a "Meet the Bruins" Night, and 1984 was no exception. Over 400 people braved a bitterly cold January 6th evening to see and hear superstars Rick Middleton, Mike Milbury, Mike Kruszylinski, Terry O'Reilly, and Mike O'Connell answer questions about themselves and the Bruins. After the question and answer period, the Bruins signed autographs and posed for pictures with many of their most avid fans.

February is the month for love, and the M-Club sponsored a Valentine's Day Dance on February 4, 1984. "On the Beat" DJ Ron Zampell played the favorite requests of the over 300 people who attended.

"The Wearin' of the Green" was the theme of the St. Patrick's Day Dance on March 17, 1984. The person wearing the most green received a prize donated by the D.J. This dance was followed by the April Fool's Dance, on March 31, 1984.

The final activity of the year was the Richard J. Phelan Awards Banquet, held in the spring. At this banquet, student athletes and scholars were honored for their contributions to the high school and the community image. The highlights of the evening included the presentations of the Phelan Award the Centrella Award, and the Stokes/Pappalardo Award.

Special credit must be given to Susan Bowen for her immeasurable contributions to the production and financing of this yearbook. Sue solicited over $1,000.000 in advertising revenues by spending countless hours of her free time on the phone. Along with this effort, Sue also typed much of the copy which appears here. Susan was an honors student in the business education program. She has chosen a business career and was accepted to Burdett Junior College. The experience she has gained through her work on *The Blue and White, 1984* should be an asset to her future career, and her hard work and dedication to completing a task will make her a credit to her future employer.

Great Cut, Jim!

Medford's Jim Catanzano, captain of the football team and senior class president, just had his hair cut at Great Cuts.

We'll give you a picture perfect haircut, too. At a price that will make you look twice. For six bucks – that's right, just six bucks – we'll cut and style your hair professionally, any way you want it. All you have to do is make sure your hair is washed first. We'll do everything else. And with our first-come/first-served, no appointment policy, there'll be no lengthy wait. So head for Great Cuts. We'll give you a lot to smile about.

Another outstanding member of our editorial staff was our adver tising and typing staff editor Noelle Ricciardone. She has acquire her excellent typing and organizational skills from her man business courses. She also received an English award during he junior year. Noelle is very interested in the rapidly increasing com puter field and plans to major either in this course or as a lega secretary.

Singlehandedly, Noelle sold $1500.00 in advertising space in thi book. She worked diligently through the summer months and int the school year contacting businesses and meeting with business peo ple. Along with this, she and her staff of four typed all the stories an other copy which appear in *Memories*. With the experience she ha received, she has acquired a well-rounded background for her futur course of studies.
